

§ 106-343. Appropriations by counties; elections.

The several boards of county commissioners in the State are hereby expressly authorized and empowered to make such appropriations from the general funds of their county as will enable them to cooperate effectively with the state Department of Agriculture and Consumer Services and Federal Department of Agriculture in the eradication of tuberculosis in their respective counties: Provided, that if in 10 days after said appropriation is voted, one fifth of the qualified voters of the county petition the board of commissioners to submit the question of tuberculosis eradication or no tuberculosis eradication to the voters of the county, said commissioners shall submit such questions to said voters. Said election shall be held and conducted under G.S. 163-287. If at any such election a majority of the votes cast shall be in favor of said tuberculosis eradication, the said board shall record the result of the election upon its minutes, and cooperative tuberculosis eradication shall be taken up with the state Department of Agriculture and Consumer Services and Federal Department of Agriculture. If, however, a majority of the votes cast shall be adverse, then said board shall make no appropriation.
