

§ 115D-25. Purchase of annuity or retirement income contracts for employees by local boards of trustees.

Notwithstanding any provision of law relating to salaries or salary schedules for the pay of faculty members, administrative officers, or any other employees of community colleges, the board of trustees of any of the above institutions may authorize the finance officer or agent of same to enter into annual contracts with any of the above officers, agents and employees which provide for reductions in salaries below the total established compensation or salary schedule for a term of one year. The financial officer or agent shall use the funds derived from the reduction in the salary of the officer, agent or employee to purchase a nonforfeitable annuity or retirement income contract for the benefit of said officer, agent or employee. An officer, agent or employee who has agreed to a salary reduction for this purpose shall not have the right to receive the amount of the salary reduction in cash or in any other way except the annuity or retirement income contract. The agreement for salary reductions referred to in this section shall be effected under any necessary regulations and procedures adopted by the State Board of Community Colleges and on forms prepared by the State Board of Community Colleges. Notwithstanding any other provisions of this section or law, the amount by which the salary of an officer, agent or employee is reduced pursuant to this section shall not be excluded, but shall be included, in computing and making payroll deductions for social security and retirement system purposes, and in computing and providing matching funds for retirement system purposes.

In lieu of the annuity and related contracts provided for under this section, interests in custodial accounts pursuant to Section 401(f), Section 403(b)(7), and related sections of the Internal Revenue Code of 1986 as amended may be purchased by local boards of trustees for the benefit of qualified employees under this section with the funds derived from the reduction in the salaries of such employees.
