

§ 58-10-520. Combining assets of protected cells.

Notwithstanding G.S. 58-10-510, the assets of two or more protected cells may be combined for purposes of investment and such combination shall not be construed as defeating the segregation of such assets for accounting or other purposes. (2013-116, s. 1; 2014-65, s. 17.)
