

§ 58-44-20. Standard policy; permissible variations.

With the exception of policies covering (i) automobile fire, theft, comprehensive, and collision or (ii) marine and inland marine insurance, no fire insurance company shall issue fire insurance policies on property in this State other than those containing the provisions set forth in G.S. 58-44-16 except as follows:

- (1) A company may print on or in its policies the date of incorporation, the amount of its paid-up capital stock, the names of its officers, and to the words at the top of the back of said policy, "Standard Fire Insurance Policy for" may be added after or before the words "North Carolina" the names of any states or political jurisdiction in which the said policy form may be standard when the policy is used.
- (2) A company may print in its policies or use in its policies written or printed forms of description and specification of the property insured.
- (3) A company may write or print upon the margin or across the face of a policy, in unused spaces or upon separate slips or riders to be attached thereto, provisions adding to or modifying those contained in the standard form, and all such slips, riders, and provisions must be signed by an officer or agent of the company so using them. Provided, however, such provisions shall not have the effect of making the provisions of the standard policy form more restrictive except for such restrictions as are provided for in the charter or bylaws of a domestic mutual fire insurance company doing business in no more than three adjacent counties of the State and chiefly engaged in writing policies of insurance on rural properties upon an assessment or nonpremium basis, provided all such restrictions contained in the charter and bylaws of such domestic mutual fire insurance company shall be actually included within the printed terms of the policy contract so affected as a condition precedent to their being effective and binding on any policyholder. The iron safe or any similar clause requiring the taking of inventories, the keeping of books and producing the same in the adjustment of any loss, shall not be used or operative in the settlement of losses on buildings, furniture and fixtures, or any property not subject to any change in bulk and value.
- (4) Binders or other contracts for temporary insurance may be made, orally or in writing, for a period which shall not exceed 60 days, and shall be deemed to include all the terms of such standard fire insurance policy and all such applicable endorsements, approved by the Commissioner, as may be designated in such contract of temporary insurance; except that the cancellation clause of such standard fire insurance policy, and the clause thereof specifying the hour of the day at which the insurance shall commence, may be superseded by the express terms of such contract of temporary insurance.
- (5) Two or more companies authorized to do in this State the business of fire insurance, may, with the approval of the Commissioner, issue a combination standard form of fire insurance policy which shall contain the following provisions:
 - a. A provision substantially to the effect that the insurers executing such policy shall be severally liable for the full amount of any loss or damage, according to the terms of the policy, or for specified percentages or amounts thereof, aggregating the full amount of such insurance under such policy.

- b. A provision substantially to the effect that service of process, or of any notice or proof of loss required by such policy, upon any of the companies executing such policy, shall be deemed to be service upon all such insurers.
- (6) Appropriate forms of supplemental contract or contracts or extended coverage endorsements and other endorsements whereby the interest in the property described in such policy shall be insured against one or more of the perils which the company is empowered to assume, in addition to the perils covered by said standard fire insurance policy may be approved by the Commissioner, and their use in connection with a standard fire insurance policy may be authorized by him. In his discretion the Commissioner may authorize the printing of such supplemental contract or contracts or extended coverage endorsements and other endorsements in the substance of the form of the standard fire insurance policy. The first page of the policy may in form approved by the Commissioner be arranged to provide space for listing of amounts of insurance, rates and premiums, description of construction, occupancy and location of property covered for the basic coverages insured under the standard form of policy and for additional coverages or perils insured under endorsements attached or printed therein, and such other data as may be conveniently included for duplication on daily reports for office records.
- (7) A company may print on or in its policy, with the approval of the Commissioner, any provisions which it is required by law to insert in its policies not in conflict with the substance of provisions of such standard form. Such provisions shall be printed apart from the other provisions, agreements, or conditions of the policy, under a separate title, as follows: "Provisions Required by Law to Be Inserted in This Policy."
