

§ 66-184. Repurchase terms.

(a) The supplier shall repurchase from the dealer within 90 days after termination of the agreement all inventory previously purchased from the supplier that remains unsold on the date of termination of the agreement.

(b) The supplier shall pay the dealer:

- (1) One hundred percent (100%) of the current net price of all new, unused, unsold, undamaged, and complete farm, construction, utility, and industrial equipment, implements, machinery, outdoor power equipment, and attachments.
- (2) Ninety percent (90%) of the current net price of all new, unused, and undamaged repair and superseded parts.
- (3) Seventy-five percent (75%) of the net cost of all specialized repair tools purchased in the previous three years and fifty percent (50%) of the net cost of all specialized repair tools purchased in the previous four through six years pursuant to the requirements of the supplier and held by the dealer on the date of termination. Such specialized repair tools shall be unique to the supplier's product line and shall be in complete and resalable condition. Farm implements, machinery, utility and industrial equipment, and outdoor power equipment used in demonstrations, including equipment leased primarily for demonstration or lease, shall also be subject to repurchase under this section at its agreed depreciated value, provided the equipment is in new condition and has not been damaged.
- (4) At its amortized value, the price of any specific data processing hardware and software and telecommunications equipment that the supplier required the dealer to purchase within the past five years.

(c) Repealed by Session Laws 2001-343, s. 1.

(d) The supplier shall pay the cost of shipping the inventory from the dealer's location and shall pay the dealer ten percent (10%) of the current net price of all new, unused, undamaged repair parts returned, to cover the cost of handling, packing, and loading. The supplier may perform the handling, packing, and loading instead of paying the ten percent (10%) for the services. The dealer and the supplier may each furnish a representative to inspect all parts and certify their acceptability when packed for shipment.

(e) The supplier shall pay the full repurchase amount to the dealer not later than 30 days after receipt of the inventory. If the dealer has any outstanding debts to the supplier, then the repurchase amount may be credited to the dealer's account.

(f) Upon payment of the repurchase amount to the dealer, the title and right of possession to the repurchased inventory shall transfer to the supplier. Annually, at the end of each calendar year, or after termination or cancellation of the agreement, the dealer's reserve account for recourse, retail sale, or lease contracts shall not be debited by a supplier or lender for any deficiency unless the dealer or the heirs of the dealer have been given at least seven business days' notice by certified or registered United States mail, return receipt requested, of any proposed sale of the equipment financed and an opportunity to purchase the equipment. The former dealer or the heirs of the dealer shall be given quarterly status reports on any remaining outstanding recourse contracts. As the recourse contracts are reduced, any reserve account funds shall be returned to the dealer or the heirs of the dealer in direct proportion to the liabilities outstanding.

(g) In the event of the death of the dealer or the majority stockholder of a corporation operating as a dealer, the supplier shall, at the option of the heir, repurchase the inventory from the heir of the dealer or majority stockholder as if the supplier had terminated the agreement.

The heir shall have one year from the date of the death of the dealer or majority stockholder to exercise the heir's options under this section. Nothing in this section shall require the repurchase of any inventory if the heir and the supplier enter into a new agreement to operate the retail dealership.

(h) A supplier shall have 90 days in which to consider and make a determination upon a request by a family member to enter into a new agreement to operate the dealership. In the event the supplier determines that the requesting family member is not acceptable, the supplier shall provide the family member with a written notice of its determination with the stated reasons for nonacceptance. This section does not entitle an heir, personal representative, or family member to operate a dealership without the specific written consent of the supplier.

(i) Notwithstanding the provisions of this section, in the event that a supplier and a dealer have executed an agreement concerning succession rights prior to the dealer's death, and if the agreement has not been revoked, that agreement shall be enforced even if it designates someone other than the surviving spouse or heir of the decedent as the successor. (1985, c. 441, s. 1; 2001-343, s. 1.)
