

§ 95-144. Statistics.

(a) In order to further the purposes of this Article, the Commissioner shall develop and maintain an effective program of collection, compilation, and analysis of occupational safety and health statistics. The Commissioner shall compile accurate statistics on work injuries and illnesses which shall include all disabling, serious or significant injuries or illnesses, whether or not involving loss of time from work, other than minor injuries requiring only first-aid treatment and which do not involve medical treatment, loss of consciousness, restriction of work or motion, or transfer to another job. On the basis of records made and kept pursuant to the provisions of this Article, employers shall file such reports with the Commissioner as he shall prescribe by regulations and as may be necessary to carry out his functions.

(b) A listing of employment by area and industry of employers who have an assigned account number by the Division of Employment Security (DES) of the Department of Commerce of this State shall be supplied annually to the Commissioner by the DES. The listing of employment by area and industry shall contain at least the following: employer name; DES account number; indication of whether multiple or a single report unit; number of reporting units; average employment; establishment size code; geographical area; any four-digit code; and any other information deemed necessary by the Commissioner to meet federal reporting requirements. (1973, c. 295, s. 19; 2011-401, s. 5.1.)
