(a) Application. – The Department shall use an application form for the Program that is concise, relatively easy for the applicant to comprehend and complete, and only as lengthy as necessary for identifying applicants, determining eligibility for the Program or Medicaid, and providing information to applicants on requirements for application submission and proof of eligibility. Application forms shall be obtainable from public health departments and county departments of social services. Applications shall be processed by the county department of social services and may be submitted by mail. The Department may adopt rules for the submission and processing of applications and for securing the proof of eligibility for benefits under this Part.

The Department shall seek private and federal grant funds for outreach activities. The Department shall also seek the participation of the private sector in providing no-cost or low-cost avenues for publicizing the Program in local communities and statewide. (c) Appeals. – A person who is dissatisfied with the action of a county department of social services with respect to the determination of eligibility for benefits under the Program may appeal the action in accordance with G.S. 108A-79. (1998-1, s. 1; repealed by 2022-74, s. 9D.15(b).)
