

§ 122C-20.14. Approval of landlords and housing units.

The Department shall develop an application process for owners of housing units seeking to participate in the program as landlords. The application process shall, at a minimum, include an inspection of the owners' selected housing units and a requirement that owners receive educational information from the Department about the North Carolina Supportive Housing Program prior to being approved as landlords. (2013-397, s. 6(a).)
