

§ 131E-214.12. Purpose; Department to publish price information.

(a) It is the intent of this Article to improve transparency in health care costs by providing information to the public on the costs of the most frequently reported diagnostic related groups (DRGs) for hospital inpatient care and the most common surgical procedures and imaging procedures provided in hospital outpatient settings and ambulatory surgical facilities.

(b) The Department of Health and Human Services shall make available to the public on its internet Web site the most current price information it receives from hospitals and ambulatory surgical facilities pursuant to G.S. 131E-214.13. The Department shall provide this information in a manner that is easily understood by the public and meets the following minimum requirements:

- (1) Information for each hospital shall be listed separately and hospitals shall be listed in groups by category as determined by the North Carolina Medical Care Commission in rules adopted pursuant to G.S. 131E-214.13.
- (2) Information for each hospital outpatient department and each ambulatory surgical facility shall be listed separately.

(c) Any data disclosed to the Department by a hospital or ambulatory surgical facility pursuant to the Health Care Cost Reduction and Transparency Act of 2013 shall be and will remain the sole property of the facility that submitted the data. Any data or product derived from the data disclosed pursuant to this act, including a consolidation or analysis of the data, shall be and will remain the sole property of the State. The Department shall not allow proprietary information it receives pursuant to this act to be used by any person or entity for commercial purposes. (2013-382, s. 10.1.)
