

§ 143-159. Governor given authority to direct investigation.

The Governor is hereby authorized and empowered to call upon and direct the Attorney General to investigate the management of or condition within any department, agency, bureau, division or institution of the State, or any other matters pertaining to the administration of the Executive Department, when the Governor shall determine that such an investigation shall be necessary. (1927, c. 234, s. 1.)
