

§ 62-169. Periodical or special reports.

The Commission shall require periodical or special reports from each public utility issuing any security, including such notes payable at periods of not more than two years from the date thereof, which shall show, in such detail as the Commission may require, the disposition made of such securities and the application of the proceeds. (1933, c. 307, s. 26; 1963, c. 1165, s. 1.)
