<b>Article 25 repealed</b>		

Please note that Chapter 163A sections that were re-recodified into Chapter 163 have their former G.S. number except where the section was broken up into multiple sections in 2017 pursuant to 2017-6; these have been renumbered in Chapter 163. The renumbering and relettering of subsections and subdivisions, etc., within each section done in 2017 has been retained except in a few cases in which the original Chapter 163 section had no compound subsection or subdivision numbers (i.e., (a1), (1a), etc.) but retaining the 2017 renumbering and relettering would result in such a number because of subsections or subdivisions being un-repealed. These changes are not shown on this chart.
