24 credit history check, a tax record check, and a criminal history record check. In the event an
25 applicant and its key persons have had a completed criminal history record check in the 12
26 months prior to the application, the Commission may, in its discretion, accept the results of that
27 prior criminal history record check upon submission of an affidavit that there has been no change
28 in criminal history since the prior criminal history record check in this or any other state. The
29 Commission shall not award a license if an applicant or any key person of the applicant has been

8 licensing requirements issued to that person by a proper authority in another state or territory of
9 the United States or the District of Columbia if that jurisdiction's requirements for licensure,
10 certification, or registration are substantially equivalent to or exceed the requirements of this
11 State, and who, in the opinion of the Commission otherwise meets the requirements of this Article
12 based upon verified evidence may, upon application, be licensed as an interactive sports wagering
13 operator with or without further examination, as determined by the Commission. The
14 Commission may also accept another jurisdiction's or approved third party's testing of the
15 interactive sports wagering platform as evidence that the sports wagering platform meets any
16 requirements mandated by the Commission.

17 (i) The Commission shall review and issue interactive sports wagering licenses to
18 qualified applicants within 60 days of receipt of a completed application. The Commission may
19 extend the review period for an additional 30 days if the background investigation is outstanding.
20 Any denial shall be in writing and state the grounds therefor.

34 promptly report to the Commission all changes in key persons, and all new key persons shall
35 consent to a background investigation.

36 (l) No interactive sports wagering operator license is assignable or transferable without
37 approval of the Commission and payment of the licensing fee in accordance with this section.

38 (m) Interactive sports wagering operators shall assure the financial integrity of sports
39 wagering operations by the maintenance of a reserve of not less than five hundred thousand
40 dollars (\$500,000) or the amount required to cover the outstanding liabilities for sports wagers
41 accepted by the interactive sports wagering operator, whichever is greater. The reserve may take
42 the form of a bond, an irrevocable letter of credit, payment processor reserves and receivables,
43 cash or cash equivalents segregated from operational funds, guaranty letter, a combination

45 pay winning sports wagers when due. An interactive sports wagering operator is presumed to
46 have met this requirement if the operator maintains, on a daily basis, a minimum reserve in an
47 amount which is at least equal to the average daily minimum reserve, calculated on a monthly
48 basis, for the corresponding month in the previous year. For purposes of this subsection,

8 from being subject to the regulatory control of the Commission or from otherwise operating under
9 an interactive sports wagering license, the sports facility or team may contractually appoint a
10 designee approved by the Commission for all aspects of Commission oversight and operation.

17 (b) The Commission shall review and issue service provider licenses to qualified
18 applicants within 60 days of receipt of a completed application. The Commission may extend the

20 shall be in writing and state the grounds therefor. The applicant shall submit the completed
21 application, on a form prescribed by the Commission, and the licensing fee of fifty thousand
22 dollars (\$50,000). If the application is denied, the licensing fee shall be refunded, minus five

25 (c) The application shall set forth all of the following:

26 (1) The applicant's background in sports wagering or the covered service.

27 (2) All experience with sports wagering or other wagering activities in other

36 (d) The Commission shall conduct a background investigation on the applicant and key
37 persons as deemed necessary by the Commission. The background investigation shall include a
38 credit history check, a tax record check, and a criminal history record check. In the event an
39 applicant and its key persons have had a completed criminal history record check in the 12
40 months prior to the application, the Commission may, in its discretion, accept the results of that
41 prior criminal history record check upon submission of an affidavit that there has been no change
42 in criminal history since the prior criminal history record check in this or any other state. The
43 Commission shall not award a license if the applicant or any key person of the applicant has been
44 convicted of a felony or any gambling offense in any state or federal court of the United States

12 b. The potential to impede the regulation of sports wagering.

13 c. The potential of promoting unfair or illegal activities in the conduct of
14 sports wagering.

15 (4) The applicant or any key person knowingly makes a false statement of
16 material fact or deliberately fails to disclose information requested by the
17 Commission.

18 (5) The applicant or any key person knowingly fails to comply with the provisions
19 of this Article or any requirements of the Commission.

20 (6) The applicant or any key person was convicted of a felony, a crime of moral
21 turpitude, or any criminal offense involving dishonesty or breach of trust
22 within the 10 years prior to the submission date of the application.

9 (4) Any other information the Commission may deem necessary.

10 (e) The Commission shall conduct a background investigation on the applicant, key
11 persons of the applicant, and current employees of the applicant, as deemed necessary by the
12 Commission. The background investigation shall include a credit history check, a tax record
13 check, and a criminal history record check. In the event an applicant and its key persons have
14 had a completed criminal history record check in the 12 months prior to the application, the
15 Commission may, in its discretion, accept the results of that prior criminal history record check
16 upon submission of an affidavit that there has been no change in criminal history since the prior
17 criminal history record check in this or any other state. The Commission may not award a license
18 if the applicant or a key person of the applicant has been convicted of a felony or any gambling
19 offense in any state or federal court of the United States within 10 years of application or renewal.

20 (f) An applicant for licensure and any key person deemed necessary by the Commission
21 shall consent to a criminal history record check and shall submit all necessary fingerprints.
22 Refusal to consent to a criminal history record check may constitute grounds for the Commission
23 to deny licensure.

25 of receipt of a completed application. The Commission may extend the review period for an
26 additional 30 days if the background investigation is outstanding.

27 (h) In disclosing the principal owners of the applicant, the following shall apply:

28 (1) Governmental created entities, including statutory authorized pension
29 investment boards and Canadian Crown corporations, that are direct or
30 indirect shareholders of an applicant shall be waived in the applicant's
31 disclosure of ownership and control as determined by the Commission.

32 (2) Investment funds or entities registered with the Securities and Exchange
33 Commission, including Investment Advisors and entities under the
34 management of the Securities and Exchange Commission, that are direct or
35 indirect shareholders of the applicant shall be waived in the applicant's
36 disclosure of ownership and control as determined by the Commission.

37 (i) A sports wagering supplier license or a provisional sports wagering supplier license
38 shall be sufficient to offer the sports wagering services under this Article.

39 (j) A person holding a sports wagering supplier license or its equivalent, on the basis of
40 comparable licensing requirements issued to that person by a proper authority by another state or
41 territory of the United States or the District of Columbia if that jurisdiction's requirements for
42 licensure, certification, or registration are substantially equivalent to or exceed the requirements
43 of this State, and who, in the opinion of the Commission otherwise meets the requirements of
44 this Article based upon verified evidence may, upon application, be licensed as a sports wagering
45 supplier with or without further examination, as determined by the Commission.

46 (k) Each sports wagering supplier shall promptly report all criminal or disciplinary
47 proceedings commenced against that sports wagering supplier in connection with its operations
48 to the Commission. Each sports wagering supplier shall promptly report to the Commission all
49 changes in key persons, and all new key persons shall consent to a background investigation.

1 (l) Notwithstanding Chapter 132 of the General Statutes or any other provision of law,
2 except for G.S. 18C-916(b), only the following documents under this section shall be a public
3 record, with respect to each applicant and each sports wagering supplier:

4 (1) The name, address, and sports wagering platform.

5 (2) The name of all key persons.

6 (3) The granting or denial of the application.

7 (m) No sports wagering supplier license is assignable or transferable without approval of
8 the Commission and payment of the licensing fee in accordance with this section.

9 **"§ 18C-908. Renewals of licenses.**

10 (a) Any license issued pursuant to this Article shall be valid for five years.

11 (b) At least 60 days prior to the expiration of a license, the license holder shall submit a
12 renewal application, on a form prescribed by the Commission, including a renewal fee as follows:

13 (1) One million dollars (\$1,000,000) for an interactive sports wagering license.

14 (2) Fifty thousand dollars (\$50,000) for a service provider license.

15 (3) Thirty thousand dollars (\$30,000) for a sports wagering supplier license.

16 (c) The Commission may revoke or deny a license renewal for any of the following
17 reasons:

18 (1) The same grounds that would constitute denial of an initial application under
19 G.S. 18C-906(g).

20 (2) A violation of this Article or a pattern of noncompliance with rules or
21 directives promulgated by the Commission.

22 (3) A violation of Article 2E of Chapter 105 of the General Statutes.

23 (4) The Commission's previous decision to suspend or impose civil penalties on
24 the licensee.

25 (d) With respect to interactive sports wagering operators, the Commission may deny a
26 license renewal if the Commission finds good cause that the licensee has materially not complied
27 with the provisions of this Article.

28 (e) The Commission may, in its discretion, require an annual attestation of compliance
29 from licensees. The Commission shall prescribe the form, method, and deadline of the attestation
30 of compliance. To the extent a licensee identifies any instance of technical or material
31 noncompliance in its annual attestation of compliance, it shall also submit a remedial or
32 mitigation plan for the Commission's consideration.

33 **"§ 18C-909. Use of proceeds.**

34 (a) The Commission shall use the funds remitted to it pursuant to G.S. 105-113.128 and
35 any proceeds from license fees collected under this Article and Article 10 of this Chapter to cover
36 expenses in administering this Article. Any proceeds remaining at the end of each fiscal year
37 after payment of expenses of the Commission pursuant to this section shall be remitted to the
38 General Fund, however, the Commission may retain an amount reasonably necessary to cover
39 future expenses of the Commission related to administering the provisions of this Article and
40 Article 10 of this Chapter, the total of which, including the amount authorized to be retained
41 under G.S. 18C-1010(c), may not exceed the total expenses of the Commission related to
42 administering the provisions of this Article and Article 10 of this Chapter during the previous
43 quarter of the fiscal year.

44 (b) Expenses of the Commission shall include all items listed in G.S. 18C-163.

- 10 (8) Provide for the reporting of income tax on winnings where required by
11 applicable State or federal law.

13 official, or any employee or staff of a participant from placing a sports wager
14 on that sporting event in which the participant is participating.

16 initiated and received for compliance with G.S. 18C-902(c).
- 17 (b) For three years after a sporting event occurs, interactive sports wagering operators
18 shall maintain records on all of the following:
- 19 (1) Each sports wager, including the identity of the registered player placing the
20 sports wager.

1 to the placement or resolution of a sports wager, other than back-up servers, shall be physically
2 located in this State. Consistent with federal law, nothing in this section shall preclude the use of
3 internet or cloud-based hosting, or the use of back-up servers located outside of this State.

4 (h) Each interactive sports wagering operator shall provide a daily summary of all sports
5 wagering activity, detailing all transactions processed through each wagering system, provided
6 in a format established by the Commission, at the close of each business day.

7 (i) An interactive sports wagering operator may not, as a condition of use of its sports
8 wagering platform, require a registered player to waive any right, forum, or procedure otherwise
9 available to the registered player under State or federal law. All agreements between an
10 interactive sports wagering operator and a registered player shall be governed by State law. The
11 State and federal courts located in North Carolina shall serve as the exclusive venue for all such
12 disputes.

13 "§ 18C-911. Reserved for future codification purposes.

14 "§ 18C-912. Establishment of interactive accounts.

15 (a) Only a registered player shall be permitted to establish an interactive account with an
16 interactive sports wagering operator. The interactive sports wagering operator is responsible for
17 verifying the identity of the registered player and ensuring that the registered player is at least 21
18 years of age. The registered player shall be permitted to deposit cash or cash equivalents into the

4 "§ 18C-913. Reserved for future codification purposes.

5 "§ 18C-914. Integrity of competition and prohibited events.

6 (a) A sports governing body may submit to the Commission in writing a request to
7 restrict, limit, or exclude a certain type, form, or category of sports wagering with respect to
8 sporting events of such body, if the sports governing body believes that such type, form, or
9 category of sports wagering with respect to sporting events of such body may undermine the
10 integrity or perceived integrity of such body or sporting events of such body. The Commission
11 shall request comment from interactive sports wagering operators on all such requests. After
12 giving due consideration to all comments received, the Commission shall, upon a demonstration
13 of good cause from the requestor that such type, form, or category of sports wagering is likely to
14 undermine the integrity or perceived integrity of such body or sporting events of such body, grant
15 the request. The Commission shall respond to a request concerning a particular event before the
16 start of the event, or if it is not feasible to respond before the start of the event, no later than seven
17 days after the request is made. If the Commission determines that the requestor is more likely
18 than not to prevail in successfully demonstrating good cause for its request, the Commission may
19 provisionally grant the request of the sports governing body until the Commission makes a final
20 determination as to whether the requestor has demonstrated good cause. Absent such a
21 provisional grant by the Commission, interactive sports wagering operators may continue to offer
22 sports wagering on sporting events that are the subject of such a request during the pendency of
23 the Commission's consideration of the applicable request.

24 (b) The Commission and interactive sports wagering operators shall cooperate with
25 investigations conducted by sports governing bodies or law enforcement agencies, including
26 using commercially reasonable efforts to provide or facilitate the provision of sports wagering
27 information. All disclosures under this section are subject to an interactive sports wagering
28 operator's obligations to comply with all federal, State, and local laws and regulations, including
29 those relating to privacy and personally identifiable information.

30 (c) Interactive sports wagering operators are not required to use official league data for
31 determining any of the following:

- 32 (1) The results of tier one sports wagers on sporting events of any organization
33 whether headquartered in the United States or elsewhere.
34 (2) The results of tier two sports wagers on sporting events of organizations that
35 are not headquartered in the United States.

36 (d) A sports governing body may notify the Commission that it desires interactive sports
37 wagering operators to use official league data to settle tier two sports wagers on sporting events
38 of such sports governing body. Notification shall be made in the form and manner as the
39 Commission may require. The Commission shall notify each interactive sports wagering operator
40 of a sports governing body's notification within five days of the Commission's receipt of the
41 notification. If a sports governing body does not so notify the Commission, an interactive sports
42 wagering operator is not required to use official league data for determining the results of tier
43 two sports wagers on sporting events of that sports governing body.

44 (e) Within 60 days of the Commission notifying each interactive sports wagering
45 operator of a sports governing body notification to the Commission, or longer period as may be
46 agreed between the sports governing body and the applicable interactive sports wagering
47 operator, interactive sports wagering operators shall use only official league data to determine
48 the results of tier two sports wagers on sporting events of that sports governing body, unless any
49 of the following apply:

- 50 (1) The sports governing body or its designee cannot provide a feed of official
51 league data to determine the results of a particular type of tier two sports

1 wager, in which case interactive sports wagering operators are not required to
2 use official league data for determining the results of the applicable tier two
3 sports wager until such time as such a data feed becomes available from the
4 sports governing body on commercially reasonable terms and conditions.

5 (2) An interactive sports wagering operator can demonstrate to the Commission
6 that the sports governing body or its designee will not provide a feed of official
7 league data to the interactive sports wagering operator on commercially
8 reasonable terms and conditions.

9 (3) The designee of the sports governing body does not obtain a sports wagering
10 supplier license from the Commission to provide official league data to
11 interactive sports wagering operators to determine the results of tier two sports
12 wagers, if and to the extent required by law.

13 (f) During the pendency of the Commission's determination as to whether a sports
14 governing body or its designee will provide a feed of official league data on commercially
15 reasonable terms, an interactive sports wagering operator is not required to use official league
16 data for determining the results of tier two sports wagers. The Commission's determination shall
17 be made within 60 days of the interactive sports wagering operator notifying the Commission
18 that it desires to demonstrate that the sports governing body or its designees will not provide a
19 feed of official league data to the sports wagering operator on commercially reasonable terms.
20 The following is a non-exclusive list of factors the Commission may consider in evaluating
21 whether official league data is being offered on commercially reasonable terms and conditions
22 for purposes of this subsection and subsections (d) and (e) of this section:

23 (1) The extent to which interactive sports wagering operators have purchased the
24 same or similar official league data on the same or similar terms, particularly
25 in jurisdictions where such purchase was not required by law, or was required
26 by law, but only if offered on commercially reasonable terms.

27 (2) The nature and quantity of the official league data, including its speed,
28 accuracy, reliability, and overall quality, as compared to comparable
29 non-official data.

30 (3) The quality and complexity of the process used to collect and distribute the
31 official league data as compared to comparable non-official data.

32 (4) The availability of a sports governing body's tier two official league data to an
33 interactive sports wagering operator from more than one authorized source.

34 (5) Market information, including price and other terms and conditions, regarding
35 the purchase by interactive sports wagering operators of comparable data for
36 the purpose of settling sports wagers in this State and other jurisdictions.

37 (6) The extent to which sports governing bodies or their designees have made data
38 used to settle tier two sports wagers available to interactive sports wagering
39 operators and any terms and conditions relating to the use of that data.

40 (7) Any other information the Commission deems relevant.

41 (g) Interactive sports wagering operators shall, as soon as practicable, report to the
42 Commission any information relating to abnormal betting activity or patterns that may indicate
43 a concern with the integrity of a sporting event or events, or any other conduct that corrupts a
44 sports wagering outcome of a sporting event or events for purposes of financial gain, including
45 match fixing. The interactive sports wagering operator making such a report shall also
46 simultaneously report such information to the relevant sports governing body.

47 "§ 18C-915. Reserved for future codification purposes.

48 "§ 18C-916. Civil penalties; suspension and revocation of licenses.

49 (a) If the Commission determines that the holder of a license under this Article has
50 violated any provision of this Article, the Commission, with at least 15 days' notice and a hearing,
51 may do either or both of the following:

1 (1) Suspend or revoke the license.
2 (2) Impose a monetary penalty of not more than ten thousand dollars (\$10,000)
3 for each violation.

4 (b) Nonpublic record documents and materials that applicants and licensees submit to the
5 Commission shall become public record if such materials are specifically identified by the
6 Commission as providing a basis for a civil penalty, license suspension, license revocation, or
7 other formal or informal enforcement action undertaken by the Commission against the licensee.
8 **"§ 18C-917.** Reserved for future codification purposes.

9 **"§ 18C-918. Criminal penalties.**

12 (b) Any person under the age of 21 who engages in sports wagering as defined under this
13 Article shall be guilty of a Class 2 misdemeanor.

14 (c) Any person who knowingly attempts to suborn, collude, or otherwise conspire to
15 influence the outcome of any competition or aspect of any competition that is the subject of sports
16 wagering pursuant to this Article shall be guilty of a Class G felony.

17 (d) Any applicant for an interactive sports wagering license, a service provider license,
18 or sports wagering supplier license who willfully furnishes, supplies, or otherwise gives false
19 information on the license application shall be guilty of a Class I felony.

20 (e) Nothing in this Article shall be construed to allow the interactive sports wagering
21 operator or its service providers to be charged with a violation of subsection (a) or (c) of this
22 section absent actual notice and knowledge that a person is under age or giving false information.

23 **"§ 18C-919.** Reserved for future codification purposes.

24 **"§ 18C-920.** Reserved for future codification purposes.

25 **"§ 18C-921.** Reserved for future codification purposes.

26 **"§ 18C-922. Voluntary exclusion program.**

27 (a) The Commission shall establish a voluntary exclusion program for any individual to
28 voluntarily exclude themselves from placing sports wagers under this Article and pari-mutuel
29 wagers under Article 10 of this Chapter. Licensees under this Article and Article 10 of this
30 Chapter shall use reasonable means to comply with the exclusion of individuals participating in
31 the voluntary exclusion program by the Commission.

32 (b) The Commission shall adopt rules to establish the voluntary exclusion program,
33 which shall provide for all of the following:

34 (1) Verification of the individual's request to be placed in the voluntary exclusion
35 program, and for how long, up to and including that individual's lifetime.

36 (2) How information regarding which individuals are in the voluntary exclusion
37 program is to be disseminated to licensees under this Article and Article 10 of
38 this Chapter.

39 (3) How an individual in the voluntary exclusion program may petition the
40 Commission for removal from the voluntary exclusion program.

41 (4) The means by which licensees under this Article and Article 10 of this Chapter
42 and their agents shall make all reasonable efforts to cease direct marketing
43 efforts to individuals participating in the voluntary exclusion program.

44 (5) The means by which the Commission shall make available to all licensees
45 under this Article and Article 10 of this Chapter and their agents the names of
46 the individuals participating in the voluntary exclusion program, which shall
47 be at least quarterly.

48 (c) Participation in the voluntary exclusion program shall not preclude licensees under
49 this Article and Article 10 of this Chapter and their agents from seeking the payment of a debt
50 accrued by the individual while not participating in the voluntary exclusion program.

1 (d) The voluntary exclusion program shall be exempt from Chapter 132 of the General
2 Statutes and shall be treated as confidential by each licensee under this Article and Article 10 of
3 this Chapter. Licensees under this Article and Article 10 of this Chapter conducting sports
4 wagering or pari-mutuel wagering in another state may share the information provided under this
5 section with its agents and affiliates in other states for excluding individuals participating in the
6 voluntary exclusion program.

10 operators and their service providers to employ systems that offset loss or manage or lay off risk
11 in the operation of sports wagering pursuant to this Article, including through liquidity pools,
12 exchanges, or similar mechanisms in another approved jurisdiction in which the interactive sports
13 wagering operator, service provider, or an affiliate of either or other third party also holds a
14 license or the equivalent, provided that at all times adequate protections are maintained to ensure
15 sufficient funds are available to pay all winnings.

16 "§ 18C-925. Reserved for future codification purposes.

17 "§ 18C-926. Places of public accommodation.

18 (a) Permanent places of public accommodation for the purpose of placing sports wagers

21 (b) Permanent places of public accommodation permitted under this section shall be
22 located as follows:

23 (1) On the property of the sports facility.

29 "Tax on Interactive Sports Wagering Operators.

30 **"§ 105-113.125. Definitions.**

31 The definitions of G.S. 18C-901 apply to this Article.

32 **"§ 105-113.126. Tax on interactive sports wagering operators.**

33 (a) Tax. – A tax at the rate of eighteen percent (18%) is imposed on each interactive

34 sports wagering operator for the privilege of being licensed under Article 9 of Chapter 18C of

35 the General Statutes. The tax applies to the gross wagering revenue of the interactive sports

36 wagering operator.

37 (b) Carryforward. – If the amount of gross wagering revenue is a negative number for

38 any month, the interactive sports wagering operator may carry forward the negative amount to

39 the return filed for the subsequent month. No amount shall be carried forward more than 12

40 months after the month in which the amount carried forward was originally due.

41 (c) Return. – Taxes levied by this Article are due when a return is required to be filed.

42 The return is due on a monthly basis. A monthly return is due by the twentieth day of the month

43 following the calendar month covered by the return. A return is filed on a form prescribed by the

44 Secretary.

45 (d) Records. – A person who is required to file a return under this Article must keep a

46 record of all documents used to determine information the person provides in a return. These

47 records shall be open at all times for inspection by the Secretary or an authorized representative

48 of the Secretary and shall be kept for the applicable period of statute of limitations as set forth

49 under Article 9 of this Chapter.

50 (e) Refund. – An interactive sports wagering operator is allowed a refund of the tax paid

51 under this section on a sports wager that has been refunded. The Secretary shall prescribe the

1 manner in which an interactive sports wagering operator may request a refund under this
2 subsection, which may include allowing a credit for the amount refunded on a subsequent
3 monthly return required under this section.

4 **"§ 105-113.126A. Registration and discontinuance requirements.**

5 (a) Registration Required. – An interactive sports wagering operator must register with
6 the Secretary.

7 (b) Registration Form. – Registration must be in a form required by the Secretary and
8 include all information requested. If an interactive sports wagering operator fails to register, the
9 Secretary must notify the Lottery Commission of the violation.

10 (c) Discontinuance of Authorized Activities. – An interactive sports wagering operator
11 who changes ownership or stops engaging in the activities licensed under Article 9 of Chapter
12 18C of the General Statutes must notify the Secretary in writing of the change. The interactive
13 sports wagering operator is responsible for maintaining a bond or irrevocable letter of credit as
14 required by G.S. 105-113.127 and submitting all returns and the payment of all taxes for which
15 the interactive sports wagering operator is liable under this Article while licensed.

16 **"§ 105-113.127. Bond or irrevocable letter of credit.**

17 The Secretary may require an interactive sports wagering operator to furnish a bond in an
18 amount that adequately protects the State from an interactive sports wagering operator's failure
19 to pay taxes due under this Article. A bond must be conditioned on compliance with this Article,
20 payable to the State, and in the form required by the Secretary. The amount of the bond is two
21 times the interactive sports wagering operator's expected monthly tax liability under this Article,
22 as determined by the Secretary, provided the amount of the bond may not be less than fifty
23 thousand dollars (\$50,000) and may not be more than two million dollars (\$2,000,000). The
24 Secretary should periodically review the sufficiency of bonds required of interactive sports
25 wagering operators and increase the amount of a required bond when the amount of the bond
26 furnished no longer covers the anticipated tax liability of the interactive sports wagering operator
27 and decrease the amount when the Secretary determines that a smaller bond amount will
28 adequately protect the State from loss.

29 For purposes of this section, an interactive sports wagering operator may substitute an
30 irrevocable letter of credit for the secured bond required by this section. The letter of credit must
31 be issued by a commercial bank acceptable to the Secretary and available to the State as a
32 beneficiary. The letter of credit must be in a form acceptable to the Secretary, conditioned upon
33 compliance with this Article, and in the amounts stipulated in this section.

34 **"§ 105-113.128. Use of tax proceeds.**

35 The Secretary shall distribute the taxes collected under this Article, less the allowance to the
36 Department of Revenue and reimbursement to the Lottery Commission for administrative
37 expenses, in accordance with this section. The Secretary may retain the cost of administering this
38 Article, not to exceed five hundred thousand dollars (\$500,000) a year, as reimbursement to the
39 Department. The Lottery Commission shall, no later than 20 days after the end of the month,
40 notify the Department of its unreimbursed expenses from administering the provisions of Article
41 9 of Chapter 18C of the General Statutes from the previous month. The Department shall
42 reimburse the Lottery Commission from the tax revenues collected under this Article no later
43 than the end of the month in which the Department was notified. The remainder of the net
44 proceeds of the tax collected under this Article are to be credited in the following priority:

46 Human Services for gambling addiction education and treatment programs.

14 each of the institutions listed in this subdivision to support collegiate athletic
15 departments. If there are not sufficient funds for each of these institutions to

47 (5) Of the remaining proceeds, as follows:

6 serve the public interest in maximizing revenue to the State, while preserving the integrity of
7 sports wagering and ensuring accountability and preserving the public trust in licensed sports
8 wagering activities. No license issued by the Commission shall become effective prior to January
9 8, 2024, however, sports wagering shall not be authorized in the State until a date identified by
