The Commissioner, in reviewing transactions pursuant to this subsection, shall consider whether the transactions comply with the standards set forth in subsection (a) of this section and whether they may adversely affect the interests of policyholders. SECTION 5. G.S. 58-30-1(a) reads as rewritten:

PART VI. CHANGES RELATED TO THE ADMINISTRATION OF WORKERS' COMPENSATION LARGE DEDUCTIBLE POLICIES AND INSURED COLLATERAL IN LIQUIDATION PROCEEDINGS

SECTION 6.(a) Article 30 of Chapter 58 of the General Statutes is amended by adding a new section to read:

"§ 58-30-262. Administration of large deductible policies and insured collateral.

(a) Definitions. – The following definitions apply in this section:

- (1) Association. – As defined in G.S. 58-48-20.
- (2) Collateral. – Any cash, letters of credit, surety bond, or any other form of security posted by or on behalf of the insured or any person to secure the obligation of the insured under the large deductible policy to pay deductible claims or to reimburse the insurer for deductible claim payments. Collateral may also secure an insured's obligation to reimburse or pay to the insurer as may be required for other secured obligations.
- (3) Commercially reasonable. – To act in good faith using prevailing industry practices and making all reasonable efforts considering the facts and circumstances of the matter.
- (4) Deductible claim. – Any claim, including a claim for loss and defense and cost containment expense, unless those expenses are excluded, under a large deductible policy that is within the deductible.
- (5) Large deductible policy. – Includes any of the following:
 - a. A combination of one or more workers' compensation policies and endorsements issued to an insured and contracts or security agreements entered into between the insurer and the insured in which the insured has agreed with the insurer to do either of the following:
 1. Pay directly the initial portion of any claim under the policy up to a specified dollar amount, or the expenses related to any claim.

2. Reimburse the insurer for its payment of any claim or related expenses under the policy up to the specified dollar amount of the deductible.

b. Any policy which contains an aggregate limit on the insured's liability for all deductible claims in addition to a per claim deductible limit. The primary purpose and distinguishing characteristic of a large deductible policy is the shifting of a portion of the ultimate financial responsibility under the large deductible policy to pay claims from the insurer to the insured, even though the obligation to initially pay claims may remain with the insurer.

c. Any policy with a deductible of one hundred thousand dollars (\$100,000) or greater.

"Large deductible policy" does not include: (i) policies, endorsements, or agreements which provide that the initial portion of any covered claim shall be self-insured and further that the insurer shall have no payment obligation within the self-insured retention or (ii) policies that provide for retrospectively rated premium payments by the insured or reinsurance arrangements or agreements, except to the extent that those arrangements assume, secure, or pay the large deductible obligations of an insured.

(6) Other secured obligations. – Obligations of an insured to an insurer other than those under or resulting from a large deductible policy, such as those under a reinsurance agreement or other agreement involving retrospective premium obligations the performance of which is secured by collateral that also secures obligations of an insured under a large deductible policy.

(b) Applicability. – This section shall apply to workers' compensation large deductible policies insuring workers' compensation liabilities under the Workers' Compensation Act of this State issued by an insurer subject to an order of liquidation as set forth in G.S. 58-30-105 that has become final in the state of entry, whether the liquidation order is entered in this State or in a reciprocal state.

(c) Exceptions. – This section shall not apply to claims funded by the Association or a foreign guaranty association net of the deductible unless subsection (d) of this section applies.

(d) Handling of Large Deductible Claims. – Large deductible policies shall be administered in accordance with their terms, except to the extent those terms conflict with this section. All large deductible claims resulting from the handling or administration of one or more covered claims of a claimant as defined by G.S. 58-48-20 or the applicable guaranty laws of a foreign guaranty association, including those that may have been funded by an insured before liquidation, shall be turned over to the Association for handling and administration or shall be turned over to the foreign guaranty association in the state where the claim is pending for handling and administration. To the extent the insured funds or pays the deductible claim, pursuant to an agreement with the Association or a foreign guaranty association or otherwise, the funding or payment of a deductible claim directly or to the Association or a foreign guaranty association by or on behalf of the insured will extinguish the obligations, if any, of the liquidator, the Association, or the foreign guaranty association to pay the claim. No charge or claim of any kind shall be made against the liquidator, the Association, or a foreign guaranty association on the basis of the funding or payment of a deductible claim by or on behalf of an insured.

(e) Deductible Claims Paid by the Association or a Foreign Guaranty Association. –

(1) To the extent the Association or a foreign guaranty association pays any deductible claim for which the insurer would have been entitled to reimbursement from the insured, the Association or foreign guaranty association shall be entitled to the full amount of the reimbursement and available collateral as provided for under this section to the extent necessary

to reimburse the Association or the foreign guaranty association. Reimbursements paid to the Association or to a foreign guaranty association pursuant to this subdivision shall not be included in any proposal submitted to the court to disburse assets under G.S. 58-30-180 in any report submitted to the court under G.S. 58-30-225, or as any distribution of assets by the liquidator in the domiciliary state.

(2) To the extent that the Association or a foreign guaranty association pays a deductible claim that is not reimbursed either from collateral or by payments by an insured, or incurred expenses in connection with large deductible policies that are not reimbursed under this section, the Association or a foreign guaranty association shall be entitled to assert a claim for those amounts in the liquidation proceeding in this State or in the domiciliary state.

(3) Nothing in this subsection limits any rights of the Association or a foreign guaranty association that may otherwise arise or exist under applicable law to obtain reimbursement from insureds for claim payments made by the Association or the foreign guaranty association under policies of the insurer or for the Association's or foreign guaranty association's related expenses, including without limitation, those rights arising under G.S. 58-48-35 and G.S. 58-48-50, or those arising or existing under similar laws of other states.

(f) Collections. –

(1) Unless otherwise agreed to with the liquidator of the insurer in this State or the domiciliary state, the Association or a foreign guaranty association shall collect reimbursements owed for deductible claims as provided for herein and shall take all commercially reasonable actions to collect those reimbursements. The Association or a foreign guaranty association shall promptly bill insureds for reimbursement of covered claims paid by the Association or a foreign guaranty association. The liquidator of the insurer in this State or the domiciliary state shall have the obligation to collect all other reimbursements owed for deductible claims and shall promptly bill insureds or the other responsible persons for reimbursement of deductible claims (i) paid by the insurer prior to liquidation or (ii) paid by the liquidator.

(2) If the insured does not make payment within the time specified in the large deductible policy, or within 60 days after the date of billing if no time is specified, the liquidator, the Association, or a foreign guaranty association shall take all commercially reasonable actions to collect any reimbursements owed.

(3) Neither the insolvency of the insurer, nor its inability to perform any of its obligations under the large deductible policy, shall be a defense to the insured's reimbursement obligations under the large deductible policy.

(4) Allegations of improper handling or excessive or wrongful payment of a deductible claim by the insurer, by the liquidator of the insurer in this State or the domiciliary state, or by the Association or foreign guaranty association shall not be a defense to the insured's reimbursement obligations under the large deductible policy.

(5) The liquidator of the insurer in this State or the domiciliary state is entitled to recover through billings to the insured all reasonable expenses incurred in fulfilling the liquidator's collection obligations pursuant to subdivision (1) of this subsection.

(g) Collateral. –

(1) Subject to the provisions of this subsection and the rights of the Association or a foreign guaranty association, the liquidator of the insurer in this State or

the domiciliary state shall utilize collateral, when available, to secure the obligation of the insured to fund or reimburse deductible claims or other secured obligations. The Association or a foreign guaranty association shall be entitled to all collateral as provided for in this subsection to the extent needed to reimburse the Association or a foreign guaranty association for the payment of deductible claims. Any distributions made to the Association or to a foreign guaranty association pursuant to this subsection shall not be included in any proposal submitted by the liquidator to the court to disburse assets under G.S. 58-30-180, or in any report submitted to the court under G.S. 58-30-225, or as any distribution of assets in the domiciliary state.

- (2) All claims against the collateral shall be paid in the order received, and no claim of the liquidator of the insurer in this State or the domiciliary state, including those described in or arising under this subsection, shall supersede or take priority over any other claim against the collateral made by the Association or a foreign guaranty association. However, to the extent that the collateral is subject to other known secured obligations, or if more than one creditor has a valid claim against the same collateral and the available collateral, including future billing and collection efforts, are together insufficient to pay each creditor in full, the liquidator of the insurer in this State or in the domiciliary state may prorate payments from the proceeds of the collateral based on the ratio of the amount of claims each creditor has to the sum or all claims of all creditors with claims against the involved collateral.
- (3) The liquidator of the insurer in this State or the domiciliary state shall draw down collateral to the extent necessary in the event that the insured fails to do any of the following:
 - a. Perform its funding or payment obligations under any large deductible policy.
 - b. Pay deductible claim reimbursements within the time specified in the large deductible policy or within 60 days after the date of the billing if no time is specified.
 - c. Pay amounts due the estate for pre-liquidation obligations.
 - d. Timely fund any other secured obligation.
 - e. Timely pay expenses.
- (4) Excess collateral may be returned to the insured as determined by the liquidator of the insurer in this State or the domiciliary state after a periodic review of claims paid, outstanding case reserves and a factor for incurred but not reported claims.
- (5) This section shall not limit or adversely affect any rights or powers the Association or a foreign guaranty association may have pursuant to other applicable state law to obtain reimbursement from certain classes of policyholders for claims payments made by the Association or a foreign guaranty association arising under policies of the insolvent insurer, or for related expenses the Association or a foreign guaranty association incurs.
- (6) Notwithstanding any other provision of this section, if the liquidator of the insurer in this State or the domiciliary state and the Association or a foreign guaranty association agree that the liquidator will collect reimbursements owed for deductible claims, the liquidator is entitled to deduct from the large deductible claim collateral or from the deductible reimbursements reasonable and actual expenses incurred in connection with the collection of the large deductible claim collateral and deductible reimbursements."

~~thousand dollars (\$60,000)~~ one hundred thousand dollars (\$100,000) because of bodily injury to or death of two or more persons in any one accident, and in the amount of ~~twenty-five thousand dollars (\$25,000)~~ fifty thousand dollars (\$50,000) because of injury to or destruction of property of others in any one accident. Nothing contained herein shall prevent an insurer and an insured from entering into a contract, not affecting third parties, providing for a deductible as to property damage at a rate approved by the Commissioner of Insurance."

SECTION 12.(b) G.S. 20-279.5(c) reads as rewritten:

No such policy or bond shall be effective under this section unless issued by an insurance company or surety company authorized to do business in this State, except that if such motor vehicle was not registered in this State, or was a motor vehicle which was registered elsewhere than in this State at the effective date of the policy or bond, or the most recent renewal thereof, or if such operator not an owner was a nonresident of this State, such policy or bond shall not be effective under this section unless the insurance company or surety company if not authorized to do business in this State shall execute a power of attorney authorizing the Commissioner to accept service on its behalf of notice or process in any action upon such policy, or bond arising out of such accident, and unless said insurance company or surety company, if not authorized to do business in this State, is authorized to do business in the state or other jurisdiction where the motor vehicle is registered or, if such policy or bond is filed on behalf of an operator not an owner who was a nonresident of this State, unless said insurance company or surety company, if not authorized to do business in this State, is authorized to do business in the state or other jurisdiction of residence of such operator; provided, however, every such policy or bond is subject, if the accident has resulted in bodily injury or death, to a limit, exclusive of interest and cost, of not less than ~~thirty thousand dollars (\$30,000)~~ fifty thousand dollars (\$50,000) because of bodily injury to or death of one person in any one accident and, subject to said limit for one person, to a limit of not less than ~~sixty thousand dollars (\$60,000)~~ one hundred thousand dollars (\$100,000) because of bodily injury to or death of two or more persons in any one accident, and, if the accident has resulted in injury to or destruction of property, to a limit of not less than ~~twenty-five thousand dollars (\$25,000)~~ fifty thousand dollars (\$50,000) because of injury to or destruction of property of others in any one accident."

SECTION 12.(c) G.S. 20-279.15 reads as rewritten:

"§ 20-279.15. Payment sufficient to satisfy requirements.

In addition to other methods of satisfaction provided by law, judgments herein referred to shall, for the purpose of this Article, be deemed satisfied:

- (1) When ~~thirty thousand dollars (\$30,000)~~ fifty thousand dollars (\$50,000) has been credited upon any judgment or judgments rendered in excess of that amount because of bodily injury to or death of one person as the result of any one accident; or
- (2) When, subject to such limit of ~~thirty thousand dollars (\$30,000)~~ fifty thousand dollars (\$50,000) because of bodily injury to or death of one person, the sum of ~~sixty thousand dollars (\$60,000)~~ one hundred thousand dollars (\$100,000) has been credited upon any judgment or judgments rendered in excess of that amount because of bodily injury to or death of two or more persons as the result of any one accident; or
- (3) When ~~twenty-five thousand dollars (\$25,000)~~ fifty thousand dollars (\$50,000) has been credited upon any judgment or judgments rendered in excess of that amount because of injury to or destruction of property of others as a result of any one accident;

Provided, however, payments made in settlement of any claims because of bodily injury, death or property damage arising from a motor vehicle accident shall be credited in reduction of the amounts provided for in this section."

SECTION 12.(d) G.S. 20-279.21(b) reads as rewritten:

"(b) Except as provided in G.S. 20-309(a2), such owner's policy of liability insurance:

...

- (2) Shall insure the person named therein and any other person, as insured, using any such motor vehicle or motor vehicles with the express or implied permission of such named insured, or any other persons in lawful possession, against loss from the liability imposed by law for damages arising out of the ownership, maintenance or use of such motor vehicle or motor vehicles within the United States of America or the Dominion of Canada subject to limits exclusive of interest and costs, with respect to each such motor vehicle, as follows: ~~thirty thousand dollars (\$30,000)~~ fifty thousand dollars (\$50,000) because of bodily injury to or death of one person in any one accident and, subject to said limit for one person, ~~sixty thousand dollars (\$60,000)~~ one hundred thousand dollars (\$100,000) because of bodily injury to or death of two or more persons in any one accident, and ~~twenty five thousand dollars (\$25,000)~~ fifty thousand dollars (\$50,000) because of injury to or destruction of property of others in any one accident; and
- (3) No policy of bodily injury liability insurance, covering liability arising out of the ownership, maintenance, or use of any motor vehicle, shall be delivered or issued for delivery in this State with respect to any motor vehicle registered or principally garaged in this State unless coverage is provided therein or supplemental thereto, under provisions filed with and approved by the Commissioner of Insurance, for the protection of persons insured thereunder who are legally entitled to recover damages from owners or operators of uninsured motor vehicles and hit-and-run motor vehicles because of bodily injury, sickness or disease, including death, resulting therefrom. The limits of such uninsured motorist bodily injury coverage shall be equal to the highest limits of bodily injury liability coverage for any one vehicle insured under the policy; provided, however, that (i) the limits shall not exceed one million dollars (\$1,000,000) per person and one million dollars (\$1,000,000) per accident regardless of whether the highest limits of bodily injury liability coverage for any one vehicle insured under the policy exceed those limits and (ii) a named insured may purchase greater or lesser limits, except that the limits shall not be less than the bodily injury liability limits required pursuant to subdivision (2) of this subsection, and in no event shall an insurer be required by this subdivision to sell uninsured motorist bodily injury coverage at limits that exceed one million dollars (\$1,000,000) per person and one million dollars (\$1,000,000) per accident. When the policy is issued and renewed, the insurer shall notify the named insured as provided in subsection (m) of this section. The provisions shall include coverage for the protection of persons insured under the policy who are legally entitled to recover damages from owners or operators of uninsured motor vehicles because of injury to or destruction of the property of such insured. The limits of such uninsured motorist property damage coverage shall be equal to the highest limits of property damage liability coverage for any one vehicle insured under the policy; provided, however, that (i) the limits shall not exceed one million dollars (\$1,000,000) per accident regardless of whether the highest limits of property damage liability coverage for any one vehicle insured under the

policy exceed those limits and (ii) a named insured may purchase lesser limits, except that the limits shall not be less than the property damage liability limits required pursuant to subdivision (2) of this subsection. When the policy is issued and renewed, the insurer shall notify the named insured as provided in subsection (m) of this section. For uninsured motorist property damage coverage, the limits purchased by the named insured shall be subject, for each insured, to an exclusion of the first one hundred dollars (\$100.00) of such damages. The provision shall further provide that a written statement by the liability insurer, whose name appears on the certification of financial responsibility made by the owner of any vehicle involved in an accident with the insured, that the other motor vehicle was not covered by insurance at the time of the accident with the insured shall operate as a prima facie presumption that the operator of the other motor vehicle was uninsured at the time of the accident with the insured for the purposes of recovery under this provision of the insured's liability insurance policy.

If a person who is legally entitled to recover damages from the owner or operator of an uninsured motor vehicle is an insured under the uninsured motorist coverage of a policy that insures more than one motor vehicle, that person shall not be permitted to combine the uninsured motorist limit applicable to any one motor vehicle with the uninsured motorist limit applicable to any other motor vehicle to determine the total amount of uninsured motorist coverage available to that person. If a person who is legally entitled to recover damages from the owner or operator of an uninsured motor vehicle is an insured under the uninsured motorist coverage of more than one policy, that person may combine the highest applicable uninsured motorist limit available under each policy to determine the total amount of uninsured motorist coverage available to that person. The previous sentence shall apply only to insurance on nonfleet private passenger motor vehicles as described in G.S. 58-40-10(1) and (2).

In addition to the above requirements relating to uninsured motorist insurance, every policy of bodily injury liability insurance covering liability arising out of the ownership, maintenance or use of any motor vehicle, which policy is delivered or issued for delivery in this State, shall be subject to the following provisions which need not be contained therein.

- a. A provision that the insurer shall be bound by a final judgment taken by the insured against an uninsured motorist if the insurer has been served with copy of summons, complaint or other process in the action against the uninsured motorist by registered or certified mail, return receipt requested, or in any manner provided by law; ~~provided however, that the~~ insurer may also be issued a summons, complaint, or other process as an unnamed party and served by registered or certified mail, return receipt requested, or in any manner provided by law. Service outside of the statute of limitations shall be valid so long as the summons has been properly issued, preserved, and served pursuant to North Carolina Rule of Civil Procedure 4. The determination of whether a motorist is uninsured may be decided only by an action against the insurer alone. The insurer, upon being served as herein provided, shall be a party to the action between the insured and the uninsured motorist though not named in the caption of the pleadings and may defend the suit in the name of the uninsured motorist or in its own name. The insurer, upon being served with copy

of summons, complaint or other pleading, shall have the time allowed by statute in which to answer, demur or otherwise plead (whether the pleading is verified or not) to the summons, complaint or other process served upon it. The consent of the insurer shall not be required for the initiation of suit by the insured against the uninsured motorist: Provided, however, no action shall be initiated by the insured until 60 days following the posting of notice to the insurer at the address shown on the policy or after personal delivery of the notice to the insurer or its agent setting forth the belief of the insured that the prospective defendant or defendants are uninsured motorists. No default judgment shall be entered when the insurer has timely filed an answer or other pleading as required by law. The failure to post notice to the insurer 60 days in advance of the initiation of suit shall not be grounds for dismissal of the action, but shall automatically extend the time for the filing of an answer or other pleadings to 60 days after the time of service of the summons, complaint, or other process on the insurer.

...

- (4) Shall, in addition to the coverages set forth in subdivisions (2) and (3) of this subsection, provide underinsured motorist coverage, to be used only with a policy that is written at limits that exceed those prescribed by subdivision (2) of this subsection. The limits of such underinsured motorist bodily injury coverage shall be equal to the highest limits of bodily injury liability coverage for any one vehicle insured under the policy; provided, however, that (i) the limits shall not exceed one million dollars (\$1,000,000) per person and one million dollars (\$1,000,000) per accident regardless of whether the highest limits of bodily injury liability coverage for any one vehicle insured under the policy exceed those limits, (ii) a named insured may purchase greater or lesser limits, except that the limits shall exceed the bodily injury liability limits required pursuant to subdivision (2) of this subsection, and in no event shall an insurer be required by this subdivision to sell underinsured motorist bodily injury coverage at limits that exceed one million dollars (\$1,000,000) per person and one million dollars (\$1,000,000) per accident, and (iii) the limits shall be equal to the limits of uninsured motorist bodily injury coverage purchased pursuant to subdivision (3) of this subsection. When the policy is issued and renewed, the insurer shall notify the named insured as provided in subsection (m) of this section. An "uninsured motor vehicle," as described in subdivision (3) of this subsection, includes an "underinsured highway vehicle," which means a highway vehicle with respect to the ownership, maintenance, or use of which, the sum of the limits of liability under all bodily injury liability bonds and insurance policies applicable at the time of the accident is less than ~~the applicable limits of underinsured motorist coverage for the vehicle involved in the accident and insured under the owner's policy.~~ the total damages sustained by an individual seeking payment of benefits under this subdivision. For purposes of an underinsured motorist claim asserted by a person injured in an accident where more than one person is injured, a highway vehicle will also be an "underinsured highway vehicle" if all bodily injury liability bonds and insurance policies applicable to such highway vehicle at the time of the accident are exhausted and the total amount actually paid to that person ~~under~~ from the exhaustion of all bodily injury liability bonds and insurance policies applicable to such highway vehicle at the time of the accident is less than the applicable limits of underinsured

~~motorist coverage for the vehicle involved in the accident and insured under the owner's policy. the total damages sustained by such person seeking payment of benefits under this subdivision.~~ Notwithstanding the immediately preceding sentence, a highway vehicle shall not be an "underinsured motor vehicle" for purposes of an underinsured motorist claim under an owner's policy insuring that vehicle unless the owner's policy insuring that vehicle provides underinsured motorist coverage with limits that are greater than that policy's bodily injury liability ~~limits.~~ limits, in which event the available underinsured motorist coverage is that amount of underinsured motorist coverage under the owner's policy insuring that vehicle which exceeds the policy's bodily injury liability limits. For the purposes of this subdivision, the term "highway vehicle" means a land motor vehicle or trailer other than (i) a farm-type tractor or other vehicle designed for use principally off public roads and while not upon public roads, (ii) a vehicle operated on rails or crawler-treads, or (iii) a vehicle while located for use as a residence or premises. The provisions of subdivision (3) of this subsection shall apply to the coverage required by this subdivision. Underinsured motorist coverage is deemed to apply when, by reason of payment of judgment or settlement, all liability bonds or insurance policies providing coverage for bodily injury caused by the ownership, maintenance, or use of the underinsured highway vehicle have been exhausted. Exhaustion of that liability coverage for the purpose of any single ~~liability~~ claim presented for underinsured motorist coverage is deemed to occur when either (a) the limits of liability per claim have been paid or tendered upon the claim, or (b) by reason of multiple claims, the aggregate per occurrence limit of liability has been ~~paid.~~ paid or tendered. Underinsured motorist coverage is deemed to apply to the first dollar of an underinsured motorist coverage claim beyond amounts paid to the claimant under the exhausted liability ~~policy.~~ policy or policies applicable to the underinsured highway vehicle at the time of the accident. The amount of underinsured motorist coverage applicable to any claim for benefits under this subdivision shall not be reduced by a setoff or credit against any coverage, including liability insurance, except for workers' compensation coverage to the extent provided for in subsection (e) of this section. If a claimant is an insured under the underinsured motorist coverage on separate or additional policies, the total amount of underinsured motorist coverage applicable to the claimant is the sum of the limits of the claimant's underinsured motorist coverages as determined by combining the highest limit available under each policy, and shall not be reduced by a setoff against any coverage, including liability insurance, except for workers' compensation coverage to the extent provided for in subsection (e) of this section.

~~In any event, the limit of underinsured motorist coverage applicable to any claim is determined to be the difference between the amount paid to the claimant under the exhausted liability policy or policies and the limit of underinsured motorist coverage applicable to the motor vehicle involved in the accident. Furthermore, if a claimant is an insured under the underinsured motorist coverage on separate or additional policies, the limit of underinsured motorist coverage applicable to the claimant is the difference between the amount paid to the claimant under the exhausted liability policy or policies and the total limits of the claimant's underinsured motorist coverages as determined by combining the highest limit available under each policy; provided that this sentence shall apply only to insurance on nonfleet private~~

~~passenger motor vehicles as described in G.S. 58-40-15(9) and (10).~~ The underinsured motorist limits applicable to any one motor vehicle under a policy shall not be combined with or added to the limits applicable to any other motor vehicle under that policy.

An underinsured motorist insurer may at its option, upon a claim pursuant to underinsured motorist coverage, pay moneys without there having first been an exhaustion of the liability insurance policy covering the ownership, use, and maintenance of the underinsured highway vehicle. In the event of payment, the underinsured motorist insurer shall be either: (a) entitled to receive by assignment from the claimant any right or (b) subrogated to the claimant's right regarding any claim the claimant has or had against the owner, operator, or maintainer of the underinsured highway vehicle, provided that the amount of the insurer's right by subrogation or assignment shall not exceed payments made to the claimant by the insurer. No insurer shall exercise any right of subrogation or any right to approve settlement with the original owner, operator, or maintainer of the underinsured highway vehicle under a policy providing coverage against an underinsured motorist where the insurer has been provided with written notice before a settlement between its insured and the underinsured motorist and the insurer fails to advance a payment to the insured in an amount equal to the tentative settlement within 30 days following receipt of that notice. Further, the insurer shall have the right, at its election, to pursue its claim by assignment or subrogation in the name of the claimant, and the insurer shall not be denominated as a party in its own name except upon its own election. Assignment or subrogation as provided in this subdivision shall not, absent contrary agreement, operate to defeat the claimant's right to pursue recovery against the owner, operator, or maintainer of the underinsured highway vehicle for damages beyond those paid by the underinsured motorist insurer. The claimant and the underinsured motorist insurer may join their claims in a single suit without requiring that the insurer be named as a party. Any claimant who intends to pursue recovery against the owner, operator, or maintainer of the underinsured highway vehicle for moneys beyond those paid by the underinsured motorist insurer shall before doing so give notice to the insurer and give the insurer, at its expense, the opportunity to participate in the prosecution of the claim. Upon the entry of judgment in a suit upon any such claim in which the underinsured motorist insurer and claimant are joined, payment upon the judgment, unless otherwise agreed to, shall be applied pro rata to the claimant's claim beyond payment by the insurer of the owner, operator or maintainer of the underinsured highway vehicle and the claim of the underinsured motorist insurer.

A party injured by the operation of an underinsured highway vehicle who institutes a suit for the recovery of moneys for those injuries and in such an amount that, if recovered, would support a claim under underinsured motorist coverage shall give notice of the initiation of the suit to the underinsured motorist insurer as well as to the insurer providing primary liability coverage upon the underinsured highway vehicle. Upon receipt of notice, the underinsured motorist insurer shall have the right to appear in defense of the claim without being named as a party therein, and without being named as a party may participate in the suit as fully as if it were a party. The underinsured motorist insurer may elect, but may not be compelled, to appear in the action in its own name and present therein a claim against other parties; provided that application is made to and approved by a presiding superior court judge,

in any such suit, any insurer providing primary liability insurance on the underinsured highway vehicle may upon payment of all of its applicable limits of liability be released from further liability or obligation to participate in the defense of such proceeding. However, before approving any such application, the court shall be persuaded that the owner, operator, or maintainer of the underinsured highway vehicle against whom a claim has been made has been apprised of the nature of the proceeding and given his right to select counsel of his own choice to appear in the action on his separate behalf. If an underinsured motorist insurer, following the approval of the application, pays in settlement or partial or total satisfaction of judgment moneys to the claimant, the insurer shall be subrogated to or entitled to an assignment of the claimant's rights against the owner, operator, or maintainer of the underinsured highway vehicle and, provided that adequate notice of right of independent representation was given to the owner, operator, or maintainer, a finding of liability or the award of damages shall be res judicata between the underinsured motorist insurer and the owner, operator, or maintainer of underinsured highway vehicle.

As consideration for payment of policy limits by a liability insurer on behalf of the owner, operator, or maintainer of an underinsured motor vehicle, a party injured by an underinsured motor vehicle may execute a contractual covenant not to enforce against the owner, operator, or maintainer of the vehicle any judgment that exceeds the policy limits. A covenant not to enforce judgment shall not preclude the injured party from pursuing available underinsured motorist benefits, unless the terms of the covenant expressly provide otherwise, and shall not preclude an insurer providing underinsured motorist coverage from pursuing any right of subrogation.

Notwithstanding the provisions of this subsection, no policy of motor vehicle liability insurance applicable solely to commercial motor vehicles as defined in G.S. 20-4.01(3d) or applicable solely to fleet vehicles shall be required to provide underinsured motorist coverage. When determining whether a policy is applicable solely to fleet vehicles, the insurer may rely upon the number of vehicles reported by the insured at the time of the issuance of the policy for the policy term in question. In the event of a renewal of the policy, when determining whether a policy is applicable solely to fleet vehicles, the insurer may rely upon the number of vehicles reported by the insured at the time of the renewal of the policy for the policy term in question. Any motor vehicle liability policy that insures both commercial motor vehicles as defined in G.S. 20-4.01(3d) and noncommercial motor vehicles shall provide underinsured motorist coverage in accordance with the provisions of this subsection in an amount equal to the highest limits of bodily injury liability coverage for any one noncommercial motor vehicle insured under the policy, subject to the right of the insured to purchase greater or lesser underinsured motorist bodily injury liability coverage limits as set forth in this subsection. For the purpose of the immediately preceding sentence, noncommercial motor vehicle shall mean any motor vehicle that is not a commercial motor vehicle as defined in G.S. 20-4.01(3d), but that is otherwise subject to the requirements of this subsection."

SECTION 12.(e) G.S. 20-279.21(m) reads as rewritten:

"(m) Every insurer that sells motor vehicle liability policies subject to the requirements of subdivisions (b)(3) and (b)(4) of this section shall, when issuing and renewing a policy, give reasonable notice to the named insured of all of the following:

- (1) The named insured is required to purchase uninsured motorist bodily injury coverage, uninsured motorist property damage coverage, ~~and, if applicable,~~ and underinsured motorist bodily injury coverage.
