

§ 116-40.21. Board of governors may authorize management flexibility.

The Board of Governors of The University of North Carolina may authorize management flexibility for any special responsibility constituent institution as provided by this Part. The procedure for that authorization is the same as that to designate a constituent institution a special responsibility constituent institution under G.S. 116-30.1. (2001-424, s. 31.11(a).)
