

Article 17.

Dispensing Opticians.

§ 90-234. Necessity for certificate of registration.

On and after the first day of July, 1951, no person or combination of persons shall for pay, or reward, either directly or indirectly, practice as a dispensing optician as hereinafter defined in the State of North Carolina without a certificate of registration issued pursuant to the provisions of this Article by the North Carolina State Board of Opticians hereinafter established. (1951, c. 1089, s. 1.)

§ 90-235. Definition.

Within the meaning of the provisions of this Article, the term "dispensing optician" defines one who prepares and dispenses lenses, spectacles, eyeglasses and/or appurtenances thereto to the intended wearers thereof on written prescriptions from physicians or optometrists duly licensed to practice their professions, and in accordance with such prescriptions interprets, measures, adapts, fits and adjusts such lenses, spectacles, eyeglasses and/or appurtenances thereto to the human face for the aid or correction of visual or ocular anomalies of the human eye. The services and appliances related to ophthalmic dispensing shall be dispensed, furnished or supplied to the intended wearer or user thereof only upon prescription issued by a physician or an optometrist; but duplications, replacements, reproductions or repetitions may be done without prescription, in which event any such act shall be construed to be ophthalmic dispensing, the same as if performed on the basis of a written prescription. (1951, c. 1089, s. 2.)

§ 90-236. What constitutes practicing as a dispensing optician.

Any one or combination of the following practices when done for pay or reward shall constitute practicing as a dispensing optician: Interpreting prescriptions issued by licensed physicians and/or optometrists; fitting glasses on the face; servicing glasses or spectacles; measuring of patient's face, fitting frames, compounding and fabricating lenses and frames, and any therapeutic device used or employed in the correction of vision, and alignment of frames to the face of the wearer, provided, however, that the provisions of this section shall not apply to students and apprentices. (1951, c. 1089, s. 3; 1977, c. 755, s. 1.)

§ 90-236.1. Requirements for filling contact lens prescriptions.

No person, firm or corporation licensed or registered under this Article shall fill a prescription or dispense lenses, other than spectacle lenses, unless the prescription specifically states on its face that the prescriber intends it to be for contact lenses and includes the type and specifications of the contact lenses being prescribed. No person, firm or corporation licensed under this Article shall fill a prescription beyond the expiration date stated on the face thereof.

Any person, firm or corporation that dispenses contact lenses on the prescription of a practitioner licensed under Articles 1 or 6 of this Chapter shall, at the time of delivery of the lenses, inform the recipient both orally and in writing that he return to the prescriber for insertion of the lens, instruction on lens insertion and care, and to ascertain the accuracy and suitability of the prescribed lens. The statement shall also state that if the recipient does not return to the prescriber after delivery of the lens for the purposes stated above, the prescriber shall not be responsible for any damages or injury resulting from the prescribed lens, except that this sentence does not apply if the dispenser and the prescriber are the same person.

Prescriptions filled pursuant to this section shall be kept on file by the prescriber and the person filling the prescription for at least 24 months after the prescription is filled.

Any person, firm or corporation dispensing, furnishing or supplying contact lenses in interstate commerce or at retail to recipients in this State, other than a practitioner licensed under Article 1 or Article 6 of this Chapter, is deemed a "dispensing optician" under G.S. 90-235 and is subject to the provisions of this Article. (1981, c. 600, s. 1; 1985, c. 748.)

(1951, c. 1089, s. 4; 1977, c. 755, s. 2; 1981, c. 600, s. 2; 1997-424, s. 1.)

In naming candidates for election, the Board must ensure that its candidates reflect the composition of the State with regards to gender, ethnic, racial, and age composition.
