

§ 108A-146.15. Use of funds.

The proceeds of the assessments imposed under this Part, and all corresponding matching federal funds, must be used to make the State's annual Medicaid payment to the State and to fund all of the following:

- (1) Payments to hospitals made directly by the Department.
- (2) A portion of capitation payments to prepaid health plans attributable to hospital care.
- (3) HASP directed payments attributable to hospital reimbursements for not newly eligible individuals.
- (4) Graduate medical education payments. (2021-61, s. 2; 2023-7, s. 1.7(j).)
