A BILL TO BE ENTITLED

AN ACT TO REQUIRE THE TEACHING OF THE NATION'S FOUNDING AND RELATED DOCUMENTS IN THE NORTH CAROLINA HIGH SCHOOLS.

Whereas, the adoption of the Declaration of Independence in 1776 and the signing of the United States Constitution were principal events in the history of the United States, the Declaration of Independence providing the philosophical foundation on which this nation rests and the Constitution of the United States providing its structure of government; and

Whereas, the Federalist Papers embody the most eloquent and forceful argument made in support of the adoption of our republican form of government; and

Whereas, these documents stand as the foundation of our form of democracy providing at the same time the touchstone of our national identity and the vehicle for orderly growth and change; and

Whereas, many Americans lack even the most basic knowledge and understanding about the history of our nation and the principles set forth in the Declaration of Independence, codified in the Constitution and defended in the Federalist Papers; and

Whereas, the survival of the republic requires that our nation's children, the future guardians of its heritage and participants in its governance, have a firm knowledge and understanding of its principles and history; Now, therefore, The General Assembly of North Carolina enacts:

Section 1. G.S. 115C-81 is amended by adding a new subsection to read:
