17 **"§ 106-465. Organization and membership of tobacco boards of trade; rules and**
18 **regulations; fire insurance and extended coverage required; price fixing**
19 **prohibited.**

20 Tobacco warehousemen and the purchasers of leaf tobacco, at auction, on warehouse
21 floors, are hereby authorized to organize, either as nonstock corporations, or voluntary
22 associations, tobacco boards of trade in the several towns and cities in North Carolina in
23 which leaf tobacco is sold on warehouse floors, at auction.

24 Such tobacco boards of trade as may now exist, or which may hereafter be
25 organized, are authorized to make reasonable rules and regulations for the economical
26 and efficient handling of the sale of leaf tobacco at auction on the warehouse floors in
27 the several towns and cities in North Carolina in which an auction market is situated.

28 Each tobacco board of trade organized pursuant to this section shall, on or before
29 June 1, 1973, by regulation, require that all auction warehouse firms which are members
30 of, or may hereafter request membership in, such board of trade for the purpose of
31 displaying for sale and selling leaf tobacco, deposit with the board of trade prior to the
32 market opening, a copy of a policy of fire insurance and extended coverage in a
33 company licensed to do business in North Carolina to fully insure, as determined by the
34 board of trade, the market value of the maximum volume of tobacco that will be
35 weighed and left displayed for sale on said warehouse floor at any time during the
36 marketing season. Warehouses using mechanized conveyor-line auction sales where
37 tobacco is not displayed for sale on sales floor would be excluded from the requirement
38 of this regulation.

39 In determining the market value and maximum volume of tobacco that will be
40 weighed and placed on said warehouse floor at any one time, the board of trade shall
41 use as criteria the prior season's official gross average price for that belt, as recorded by
42 the North Carolina Department of Agriculture and the maximum limit of daily sales, as
43 recommended by the currently functioning flue-cured and burley tobacco marketing
44 organizations, applied to each warehouse based on the firm's pro rata share of the

1 market's maximum limit daily sales opportunity, multiplied times the number of days of
2 sales that said warehouse plans to place on sales floor at any one time, including any
3 and all tobacco weighed and deposited with the warehouse as bailee for future sale. The
4 data relating to the official average price and the maximum limits of daily sales shall be
5 assembled and supplied by the North Carolina Commissioner of Agriculture or his
6 representative to the board of trade in each tobacco market in North Carolina, at least 30
7 days prior to the opening of markets in each belt.

8 It shall be unlawful for any person, firm, or corporation to operate an auction sale in
9 said market until said policy is so deposited with and approved by the board of trade.
10 The board of trade shall enjoin the sale of tobacco by any warehouse firm that fails to so
11 deposit a policy of fire insurance and extended coverage with the board.

12 The tobacco boards of trade in the several towns and cities in North Carolina are
13 authorized to require as a condition to membership therein the applicants to pay a
14 reasonable membership fee and the following schedule of maximum fees shall be
15 deemed reasonable, to wit:

16 A membership fee of fifty dollars (\$50.00) in those towns in which less than
17 3,000,000 pounds of tobacco was sold at auction between the dates of August 20, 1931,
18 and May 1, 1932; a fee of one hundred dollars (\$100.00) in those towns in which during
19 said period of time more than 3,000,000 and less than 10,000,000 pounds of tobacco
20 was sold; a fee of one hundred fifty dollars (\$150.00) in those towns in which during
21 said period of time more than 10,000,000 and less than 25,000,000 pounds of tobacco
22 was sold; a fee of three hundred dollars (\$300.00) in those towns in which during said
23 period of time more than 25,000,000 pounds of tobacco was sold.

24 Membership, in good standing, in a local board of trade shall be deemed a
25 reasonable requirement by such board of trade as a condition to participating in the
26 business of operating a tobacco warehouse or the purchase of tobacco at auction therein.

27 Membership in the several boards of trade may be divided into two categories:

- 28 (1) Warehousemen;
- 29 (2) Purchasers of leaf tobacco other than warehousemen.

30 Purchasers of leaf tobacco may be: (i) participating or (ii) nonparticipating. The
31 holder of a membership as a purchaser of leaf tobacco shall have the option of
32 becoming, upon written notice to the board of trade, either a participating or a
33 nonparticipating member. Individuals, partnerships, and/or corporations who are
34 members of tobacco boards of trade, established under this section or coming within the
35 provisions of this section, as nonparticipating members shall not participate in or have
36 any voice or vote in the management, conduct, activities, allotment of sales time, and/or
37 hours, the fixing of dates for the opening or closing of tobacco auction markets, or in
38 any other manner or respect. Individuals, partnerships, and/or corporations who are such
39 nonparticipating members in any of the several tobacco boards of trade shall not be
40 responsible or liable for any of the acts, omissions or commissions of the several
41 tobacco boards of trade.

42 It shall be unlawful and punishable as of a Class 1 misdemeanor for any bidder or
43 purchaser of tobacco upon warehouse floors to refuse to take and pay for any basket or
44 baskets so bid off from the seller when the seller has or has not accepted the price

1 offered by the purchaser or bidder of other baskets. Any person suspended or expelled
2 from a tobacco board of trade under the provisions of this section may appeal from such
3 suspension to the superior court of the county in which said board of trade is located.

4 Nothing in this section shall authorize the organization of any association having for
5 its purpose the control of prices or the making of rules and regulations in restraint of
6 trade."

13 the punishment under subsection (a) even though for a different offense than the second
14 or subsequent one.

6 **---CONDUCT OF PERSONS ON THE GROUNDS OF DHR INSTITUTIONS**

12 **---PROCEDURE FOR LETTING OF PUBLIC CONTRACTS**

13 Sec. 1032. G.S. 143-129 reads as rewritten:

14 **"§ 143-129. Procedure for letting of public contracts; purchases from federal**
15 **government by State, counties, etc.**

16 (a) No construction or repair work requiring the estimated expenditure of public
17 money in an amount equal to or more than fifty thousand dollars (\$50,000) or purchase
18 of apparatus, supplies, materials, or equipment requiring an estimated expenditure of
19 public money in an amount equal to or more than twenty thousand dollars (\$20,000),
20 except in cases of group purchases made by hospitals through a competitive bidding
21 purchasing program or in cases of special emergency involving the health and safety of
22 the people or their property, shall be performed, nor shall any contract be awarded
23 therefor, by any board or governing body of the State, or of any institution of the State
24 government, or of any county, city, town, or other subdivision of the State, unless the
25 provisions of this section are complied with. For purposes of this Article, a competitive
26 bidding group purchasing program is a formally organized program that offers
27 purchasing services at discount prices to two or more hospital facilities. The limitation
28 contained in this paragraph shall not apply to construction or repair work undertaken
29 during the progress of a construction or repair project initially begun pursuant to this
30 section. Further, the provisions of this section shall not apply to the purchase of
31 gasoline, diesel fuel, alcohol fuel, motor oil or fuel oil. Such purchases shall be subject
32 to G.S. 143-131.

33 (b) Advertisement of the letting of such contracts shall be as follows:

34 Where the contract is to be let by a board or governing body of the State
35 government, or of a State institution, as distinguished from a board or governing body
36 of a subdivision of the State, proposals shall be invited by advertisement at least one
37 week before the time specified for the opening of said proposals in a newspaper having
38 general circulation in the State of North Carolina. Provided that the advertisements for
39 bidders required by this section shall be published at such a time that at least seven full
40 days shall lapse between the date of publication of notice and the date of the opening of
41 bids.

42 Where the contract is to be let by a county, city, town or other subdivision of the
43 State, proposals shall be invited by advertisement at least one week before the time

1 specified for the opening of said proposals in a newspaper having general circulation in
2 such county, city, town or other subdivision.

3 Such advertisement shall state the time and place where plans and specifications of
4 proposed work or a complete description of the apparatus, supplies, materials or
5 equipment may be had, and the time and place for opening of the proposals, and shall
6 reserve to said board or governing body the right to reject any or all such proposals.

7 Proposals shall not be rejected for the purpose of evading the provisions of this
8 Article. No board or governing body of the State or subdivision thereof shall assume
9 responsibility for construction or purchase contracts, or guarantee the payments of labor
10 or materials therefor except under provisions of this Article.

11 All proposals shall be opened in public and shall be recorded on the minutes of the
12 board or governing body and the award shall be made to the lowest responsible bidder
13 or bidders, taking into consideration quality, performance and the time specified in the
14 proposals for the performance of the contract. In the event the lowest responsible bids
15 are in excess of the funds available for the project, the responsible board or governing
16 body is authorized to enter into negotiations with the lowest responsible bidder above
17 mentioned, making reasonable changes in the plans and specifications as may be
18 necessary to bring the contract price within the funds available, and may award a
19 contract to such bidder upon recommendation of the Department of Administration in
20 the case of the State government or of a State institution or agency, or upon
21 recommendation of the responsible commission, council or board in the case of a
22 subdivision of the State, if such bidder will agree to perform the work at the negotiated
23 price within the funds available therefor. If a contract cannot be let under the above
24 conditions, the board or governing body is authorized to readvertise, as herein provided,
25 after having made such changes in plans and specifications as may be necessary to bring
26 the cost of the project within the funds available therefor. The procedure above
27 specified may be repeated if necessary in order to secure an acceptable contract within
28 the funds available therefor.

29 No proposal shall be considered or accepted by said board or governing body unless
30 at the time of its filing the same shall be accompanied by a deposit with said board or
31 governing body of cash, or a cashier's check, or a certified check on some bank or trust
32 company insured by the Federal Deposit Insurance Corporation in an amount equal to
33 not less than five percent (5%) of the proposal. In lieu of making the cash deposit as
34 above provided, such bidder may file a bid bond executed by a corporate surety licensed
35 under the laws of North Carolina to execute such bonds, conditioned that the surety will
36 upon demand forthwith make payment to the obligee upon said bond if the bidder fails
37 to execute the contract in accordance with the bid bond. This deposit shall be retained if
38 the successful bidder fails to execute the contract within 10 days after the award or fails
39 to give satisfactory surety as required herein. In the case of proposals in an estimated
40 amount of less than one hundred thousand dollars (\$100,000) for the purchase of
41 apparatus, supplies, materials, or equipment, the board or governing body may waive
42 the requirement for a bid bond or other deposit.

43 Bids shall be sealed if the invitation to bid so specifies and, in any event, the opening
44 of a bid or the disclosure or exhibition of the contents of any bid by anyone without the

1 permission of the bidder prior to the time set for opening in the invitation to bid shall
2 constitute a ~~general~~-Class 1 misdemeanor.

3 (c) All contracts to which this section applies shall be executed in writing, and
4 the board or governing body shall require the person to whom the award of contract is
5 made to furnish bond as required by Article 3 of Chapter 44A; or require a deposit of
6 money, certified check or government securities for the full amount of said contract to
7 secure the faithful performance of the terms of said contract and the payment of all
8 sums due for labor and materials in a manner consistent with Article 3 of Chapter 44A;
9 and no such contract shall be altered except by written agreement of the contractor, the
10 sureties on his bond, and the board or governing body. Such surety bond or deposit
11 required herein shall be deposited with the board or governing body for which the work
12 is to be performed. When a deposit, other than a surety bond, is made with the board or
13 governing body, said board or governing body assumes all the liabilities, obligations
14 and duties of a surety as provided in Article 3 of Chapter 44A to the extent of said
15 deposit. In the case of contracts for the purchase of apparatus, supplies, materials, or
16 equipment, the board or governing body may waive the requirement for a surety bond or
17 other deposit.

18 The owning agency or the Department of Administration, in contracts involving a
19 State agency, and the owning agency or the governing board, in contracts involving a
20 political subdivision of the State, may reject the bonds of any surety company against
21 which there is pending any unsettled claim or complaint made by a State agency or the
22 owning agency or governing board of any political subdivision of the State arising out
23 of any contract under which State funds, in contracts with the State, or funds of political
24 subdivisions of the State, in contracts with such political subdivision, were expended,
25 provided such claim or complaint has been pending more than 180 days.

26 (d) Nothing in this section shall operate so as to require any public agency to
27 enter into a contract which will prevent the use of unemployment relief labor paid for in
28 whole or in part by appropriations or funds furnished by the State or federal
29 government.

30 (e) Any board or governing body of the State or any institution of the State
31 government or of any county, city, town, or other subdivision of the State may enter into
32 any contract with (i) the United States of America or any agency thereof, or (ii) any
33 other government unit or agency thereof within the United States, for the purchase,
34 lease, or other acquisition of any apparatus, supplies, materials, or equipment without
35 regard to the foregoing provisions of this section or to the provisions of any other
36 section of this Article.

37 The Secretary of Administration or the governing board of any county, city, town, or
38 other subdivision of the State may designate any officer or employee of the State,
39 county, city, town or subdivision to enter a bid or bids in its behalf at any sale of
40 apparatus, supplies, materials, equipment or other property owned by (i) the United
41 States of America or any agency thereof, or (ii) any other governmental unit or agency
42 thereof within the United States, and may authorize such officer or employee to make
43 any partial or down payment or payment in full that may be required by regulations of
44 the government or agency disposing of such property.

1 (f) The provisions of this Article shall not apply to purchases of apparatus,
2 supplies, materials, or equipment by hospitals when performance or price competition
3 for a product are not available; when a needed product is available from only one source
4 of supply; when standardization or compatibility is the overriding consideration; when a
5 particular medical item or prosthetic appliance is needed; when a particular product is
6 ordered by an attending physician for his patients; when additional products are needed
7 to complete an ongoing job or task; when products are purchased for 'over-the-counter'
8 resale; when a particular product is needed or desired for experimental, developmental,
9 or research work; or when equipment is already installed, connected, and in service
10 under a lease or other agreement and the governing body of the hospital determines that
11 the equipment should be purchased. The governing body of a hospital shall keep a
12 record of all purchases made pursuant to this exception. These records are subject to
13 public inspection."

14 **---WITHDRAWAL OF BID; PUBLIC AGENCIES**

15 Sec. 1033. G.S. 143-129.1 reads as rewritten:

16 **"§ 143-129.1. Withdrawal of bid.**

17 A public agency may allow a bidder submitting a bid pursuant to North Carolina
18 G.S. 143-129 for construction or repair work to withdraw his bid from consideration
19 after the bid opening without forfeiture of his bid security if the price bid was based
20 upon a mistake, which constituted a substantial error, provided the bid was submitted in
21 good faith, and the bidder submits credible evidence that the mistake was clerical in
22 nature as opposed to a judgment error, and was actually due to an unintentional and
23 substantial arithmetic error or an unintentional omission of a substantial quantity of
24 work, labor, material or services made directly in the compilation of the bid, which
25 unintentional arithmetic error or unintentional omission can be clearly shown by
26 objective evidence drawn from inspection of the original work papers, documents or
27 materials used in the preparation of the bid sought to be withdrawn. A request to
28 withdraw a bid must be made in writing to the public agency which invited the
29 proposals for the work prior to the award of the contract, but not later than 72 hours
30 after the opening of bids.

31 If a request to withdraw a bid has been made in accordance with the provisions of
32 this section, action on the remaining bids shall be considered, in accordance with North
33 Carolina G.S. 143-129, as though said bid had not been received. Notwithstanding the
34 foregoing, such bid shall be deemed to have been received for the purpose of complying
35 with the requirements of G.S. 143-132. Provided, however, in the event the work is relet
36 for bids, under no circumstances shall the bidder who has filed a request to withdraw be
37 permitted to rebid the work.

38 If a bidder files a request to withdraw his bid, the agency shall promptly hold a
39 hearing thereon. The agency shall give to the withdrawing bidder reasonable notice of
40 the time and place of any such hearing. The bidder, either in person or through counsel,
41 may appear at the hearing and present any additional facts and arguments in support of
42 his request to withdraw his bid. The agency shall issue a written ruling allowing or
43 denying the request to withdraw within five days after the hearing. If the agency finds
44 that the price bid was based upon a mistake of the type described in the first paragraph

1 of this section, then the agency shall issue a ruling permitting the bidder to withdraw
2 without forfeiture of the bidder's security. If the agency finds that the price bid was
3 based upon a mistake not of the type described in the first paragraph of this section, then
4 the agency shall issue a ruling denying the request to withdraw and requiring the
5 forfeiture of the bidder's security. A denial by the agency of the request to withdraw a
6 bid shall have the same effect as if an award had been made to the bidder and a refusal
7 by the bidder to accept had been made, or as if there had been a refusal to enter into the
8 contract, and the bidder's bid deposit or bid bond shall be forfeited.

9 In the event said ruling denies the request to withdraw the bid, the bidder shall have
10 the right, within 20 days after receipt of said ruling, to contest the matter by the filing of
11 a civil action in any court of competent jurisdiction of the State of North Carolina. The
12 procedure shall be the same as in all civil actions except all issues of law and fact and
13 every other issue shall be tried **de novo** by the judge without jury; provided that the
14 matter may be referred in the instances and in the manner provided for by North
15 Carolina G.S. 1A-1, Rule 53, as amended. Notwithstanding the foregoing, if the public
16 agency involved is the Department of Administration, it may follow its normal rules and
17 regulations with respect to contested matters, as opposed to following the administrative
18 procedures set forth herein. If it is finally determined that the bidder did not have the
19 right to withdraw his bid pursuant to the provisions of this section, the bidder's security
20 shall be forfeited. Every bid bond or bid deposit given by a bidder to a public agency
21 pursuant to G.S. 143-129 shall be conclusively presumed to have been given in
22 accordance with this section, whether or not it be so drawn as to conform to this section.
23 This section shall be conclusively presumed to have been written into every bid bond
24 given pursuant to G.S. 143-129.

25 Neither the agency nor any elected or appointed official, employee, representative or
26 agent of such agency shall incur any liability or surcharge, in the absence of fraud or
27 collusion, by permitting the withdrawal of a bid pursuant to the provisions of this
28 section.

29 No withdrawal of the bid which would result in the award of the contract on another
30 bid of the same bidder, his partner, or to a corporation or business venture owned by or
31 in which he has an interest shall be permitted. No bidder who is permitted to withdraw a
32 bid shall supply any material or labor to, or perform any subcontract or work agreement
33 for, any person to whom a contract or subcontract is awarded in the performance of the
34 contract for which the withdrawn bid was submitted, without the prior written approval
35 of the agency. Whoever violates the provisions of the foregoing sentence shall be guilty
36 of a Class 1 misdemeanor."

41 established by either, shall be guilty of a Class 3 misdemeanor and shall upon

5 after another conviction for violation of the occupancy limits shall be treated as a first
6 offense for purposes of establishing and imposing penalties. In case any building or
7 structure is erected, constructed or reconstructed, or its purpose altered, so that it
8 becomes in violation of the North Carolina State Building Code or if the occupancy
9 limits established pursuant to the North Carolina State Building Code are exceeded,
10 either the local enforcement officer or the State Commissioner of Insurance or other
11 State official with responsibility under G.S. 143-139 may, in addition to other remedies,
12 institute any appropriate action or proceedings including the civil remedies set out in
13 G.S. 160A-175 and G.S. 153A-123, (i) to prevent such unlawful erection, construction
