7 "**§ 131E-180.1. Home health agency service restriction.**

8 A home health agency shall not provide part-time, intermittent nursing care, therapy,
9 medical social services, and home health aide services reimbursed by Medicare and

11 For those home health agencies for which no certificate of need was issued, the home
12 health agency's geographic service area is only those counties in which patients were
13 served as shown on the existing home health agency's licensure renewal form on file with
14 the Licensure Section of the Division of Facility Services as of January 1, 1991.

15 For those home health agencies for which a certificate of need was issued the home
16 health agency's geographic service area is as follows:

1 (2) Where the service area is not identified on the certificate of need issued
2 to the home health agency, the agency's geographic service area is the

4 a certificate of need and approved by the Certificate of Need Section of
5 the Division of Facility Services."

6 Sec. 2. This act is effective upon ratification. Section 1 expires at such time
7 that the Division of Facility Services completes and implements the current rewrite of
8 home care licensure rules, but shall be no earlier than February 1, 1996, and no later than
9 June 30, 1996.
