| 14       | dangerous conduct.   |
| 16       | (3) Based on respondent's psychiatric history, there is a reasonable   |
| 17       | probability of future dangerous conduct if respondent is discharged to   |
| 18       | the community without continued treatment, supervision, and the  |
| 19       | assistance of others.  |
| 20       | (4) Adequate treatment, supervision, and assistance for the respondent is  |
| 21       | available from the area authority that serves the community where  |
| 22       | respondent will reside upon release.   |
| 23       | (5) Based on respondent's psychiatric history, there is a reasonable   |
| 24       | probability that respondent will not voluntarily seek or comply with   |
| 25       | recommended treatment upon release to the community unless adequate  |
| 26       | supervision and assistance are given pursuant to a conditional release   |
| 27       | plan developed in accordance with subsection (d) of this section.  |
| 28       | (d) A respondent may be conditionally released pursuant to subsection (c) of this  |
| 29       | section only after an individualized outpatient treatment plan has been developed and an   |
| 30       | area authority has been designated to administer, and has agreed to provide, treatment in  |
| 31       | accordance with the treatment plan and with G.S. 122C-273(e). With the participation of  |
| 32       | the respondent, the treatment plan shall be jointly developed by the respondent's  |
| 33       | attending physician at the releasing facility and the area director, or the area director's  |

that in no event shall discharge discharge, trial visit, or conditional release under this 1 2 section be allowed for a respondent during the period from automatic commitment to 3 hearing under G.S. 122C-268.1. 4 (g) If a committed respondent under subsections (a), (b), or (b1)-(c), (e), or (f) <del>(c)</del> 5 of this section is from a single portal area, the attending physician shall plan jointly with 6 the area authority as prescribed in the area plan before discharging or releasing the 7 respondent." 8 Section 2. G.S. 122C-273 is amended by adding the following new subsection 9 to read: 10 "(e) Unless prohibited by Chapter 90 of the General Statutes, if the respondent on inpatient commitment is conditionally released in accordance with G.S. 122C-277(c) and 11 (d), the area authority designated in the treatment plan, and any of its area facilities, may 12 administer to the respondent reasonable and appropriate medication and treatment that 13 14 are consistent with accepted medical standards. Before the respondent is conditionally 15 released, the inpatient facility releasing the respondent shall provide a copy of the respondent's treatment plan and conditions for release to the area authority designated to 16 17 administer the treatment plan. As a condition of release, and in addition to any other conditions required by G.S. 122C-277(d)(3), the initial treatment plan shall require the 18 respondent to meet face-to-face with a responsible professional no less than once every 7 19 20 days to ensure that the respondent is complying with the conditions for release and is receiving treatment, supervision, and assistance necessary to prevent future dangerous 21 conduct or the need for treatment in a 24-hour facility. All of the following apply to 22 conditional release authorized under G.S. 122C-277(c) and (d) and this section. 23 24 The medical director for the area authority shall require periodic reports (1)concerning the condition of respondents on conditional release from any 25 person assigned by the area authority to supervise a conditional release 26 treatment plan. The medical director, or the medical director's designee, 27 shall review the condition of a respondent on conditional release at least 28 once every 30 days. In conducting the review, the medical director or 29 the medical director's designee shall consider all reports and information 30 received and may require the respondent to report for further evaluation. 31 32 The area authority medical director, or the medical director's designee, (2)may modify the treatment plan, including conditions for release, when 33 modification is consistent with the requirements of G.S. 122C-277(d). 34 The respondent shall be involved in and informed of any changes to the 35 treatment plan and conditions of release. A copy of the modified 36 treatment plan shall be placed in the respondent's medical record and 37 38 copies shall be provided to the respondent and any other persons who received copies of the initial treatment plan in accordance with G.S. 39 122C-277(d). 40 Notwithstanding the respondent's compliance with the conditions for 41 (3) 42 release, at any time that the area facility finds that conditional release is no longer appropriate and the respondent is in need of inpatient 43

| 12 |                | 24-hour facility shall notify the clerk of court for the county in which     |
| 13 |                | the 24-hour facility is located and request a supplemental hearing as        |
| 14 |                | specified in G.S. 122C-274.1.  |
| 15 | <u>(4)</u>     | If the respondent violates a condition of release, and unless compliance     |
| 16 |                | is obtained within 24 hours of the violation, the area facility responsible  |
| 17 |                | for management and supervision of the respondent's treatment shall           |
| 18 |                | immediately request the court to order the respondent taken into custody     |
| 19 |                | for the purpose of examination. Upon receipt of this request, the clerk or   |
| 20 |                | magistrate shall issue an order to a law enforcement officer to take the     |
| 21 |                | respondent into custody and to take the respondent immediately to the        |
| 22 |                | designated area facility for examination. The law enforcement officer        |
| 23 |                | shall turn the respondent over to the custody of the area facility for       |
| 24 |                | examination by a physician or eligible psychologist. Upon examination,       |
| 25 |                | if efforts to solicit compliance with conditions for release are successful  |
| 26 |                | and the respondent is not in need of treatment in a 24-hour facility, the    |
| 27 |                | respondent shall be released and returned home after the examination.        |
| 28 |                | If efforts to solicit compliance with conditions for release fail or the     |
| 29 |                | physician or eligible psychologist determines that conditional release is    |
| 30 |                | no longer appropriate and the respondent needs inpatient treatment, the      |
| 31 |                | law enforcement officer shall transport the respondent to a 24-hour          |
| 32 |                | facility designated by the area facility. Transportation to the 24-hour      |
| 33 |                | facility shall be provided as specified in G.S. 122C-251. Within 24          |
| 34 |                | hours of arrival at the 24-hour facility, the respondent shall be examined   |
| 35 |                | by a physician who shall act in accordance with the procedures specified     |
| 36 |                | in G.S. 122C-266. If the respondent meets the criteria of G.S. 122C-         |
| 37 |                | 266(a)(1), the 24-hour facility shall notify the clerk of court for the      |
| 38 |                | county in which the 24-hour facility is located and request a                |
| 39 |                | supplemental hearing as specified in G.S. 122C-274.1.                        |
| 40 | (5)            | When an area authority physician seeks the return of the respondent to       |
| 41 | <del>~ /</del> | an inpatient facility, the physician shall document and report grounds       |
| 42 |                | for the return to the inpatient facility and the clerk of superior court of  |
