The General Assembly of North Carolina enacts:

SECTION 1. G.S. 159-83 is amended by adding a new subsection to read:

"(f) In addition to the powers they may now or hereafter have, each municipality has the power to finance and refinance the cost of water treatment facilities and related transmission mains, and their expansion and improvement, all or some portion of which may be located on land leased from an authority created under the provisions of G.S. 162A-3.1, for a term not less than the term of the obligations issued or otherwise incurred for the purpose. For this purpose, each municipality has, in addition to the powers it has under applicable law, all the powers under G.S. 162A-6(b) of an authority created under G.S. 162A-3.1, and the political subdivisions that are members of the authority and that contract with such municipality for a supply of water and a portion of the capacity of the water treatment facilities and mains shall have all the powers of political subdivisions under G.S. 162A-6(b) and G.S. 162A-16 contracting with an authority created under G.S. 162A-3.1. This provision is supplemental to the other provisions of this Article."
