1	<u>(1)</u>	Confli	icts of Interest.
2		<u>a.</u>	A member shall not knowingly use his or her position in any
3			manner that will result in financial benefit, direct or indirect, to
4			the member, the member's family, or an individual with whom,
5			or business, organization, or group with which, the member is
6			associated. This provision shall not apply to financial and other
7			benefits: (i) derived by a member that the member would enjoy
8			to an extent no greater than that which other citizens of the
9			State would or could enjoy, (ii) rightfully gained by a member
10			pursuant to the proper performance of the member's official
11			duties or State employment, or (iii) that are so remote, tenuous,
12			insignificant, or speculative that a reasonable person would
13			conclude under the circumstances that the member's ability to
14			protect the public interest and perform the member's official
15			duties would not be compromised.
16		<u>b.</u>	A member shall not, directly or indirectly, knowingly ask,
17			accept, demand, exact, solicit, seek, assign, receive, or agree to
18			receive anything of value for the member, or for another person,
19			in return for being influenced in the discharge of the member's
20			official responsibilities, other than that which is received by the
21			member from the State for acting in the member's official
22			capacity.
23		<u>c.</u>	A member shall not solicit or receive personal financial gain,
24			other than that received by the member from the State for acting
25			in the member's official capacity, for advice or assistance given
26			in the course of carrying out the member's duties.
27		<u>d.</u>	A member shall not use or disclose information gained in the
28			course of, or by reason of, the member's official responsibilities
29			in a way that would affect a personal financial interest of the
30			member, a member of the member's family, or a person with
31			whom, or business, organization, or group with which, the
32			member is associated. A member shall not improperly use or
33			disclose any information deemed confidential by State law and
34			therefore not a public record.
35		<u>e.</u>	A member shall not cause the employment, appointment,
36			promotion, transfer, or advancement of a family member to a
37			State or local office or position that the member supervises or
38			manages. A member shall not participate in an action relating to
39			the disciplining of a member of the member's family.
40	<u>(2)</u>	<u>Appea</u>	arances of Conflict.
41		<u>a.</u>	A member shall make every effort to avoid even the appearance
42			of a conflict of interest. An appearance of conflict exists when a
43			reasonable person would conclude from the circumstances that
44			the member's ability to protect the public interest, or perform

1		public duties, is compromised by familial, personal, or financial
2		interests. An appearance of conflict could exist even in the
3		absence of a true conflict of interest.
4	<u>b.</u>	A member shall take reasonable and appropriate steps, under
5		the particular circumstances and considering the type of
6		proceeding involved, to remove himself or herself, to the extent
7		necessary to protect the public interest and comply with this
8		subsection, from any proceeding in which the member's
9		impartiality might reasonably be questioned due to the
10		member's familial, personal, or financial relationship with a
11		participant in the proceeding. A "participant" includes (i) an
12		owner, shareholder, partner, employee, agent, officer, or
13		director of a business, organization, or group involved in the
14		proceeding, or (ii) an organization or group which has
15		petitioned for rule making or has some specific, unique, and
16		substantial interest in the proceeding. "Proceeding" includes
17		both quasi-judicial proceedings, including contested case
18		hearings, and quasi-legislative proceedings, including most rule
19		making. A "personal relationship" includes one in a leadership
20		or policy-making position, including officers or directors in a
21		business, organization, or group.
22	<u>c.</u>	If a member is uncertain whether the relationship in question
23		justifies removing the member from the proceeding pursuant to
24		this subsection, then the member shall disclose the relationship
25		to the chair of the Commission and seek appropriate guidance.
26		The chair, in consultation with legal counsel if necessary, shall
27		then determine the extent to which, if any, the member will be
28		permitted to participate. If the affected member is the chair,
29 20		then the vice-chair or such other substitute presiding officer
30		shall make the determination. A good-faith determination under
