15 while impaired, G.S. 20-138.1, or a drivers license revoked pursuant to
16 G.S. 20-23 or G.S. 20-23.2 when the offense for which the person's license
17 was revoked prohibits substantially similar conduct which if committed in
18 this State would result in a conviction of driving while impaired under
19 G.S. 20-138.1, that the person not operate a vehicle with an alcohol
20 concentration of 0.04 or more at any relevant time after the driving;
- 21 (2) For the second or subsequent restoration of a drivers license for a person
22 convicted of driving while impaired, G.S. 20-138.1, or a drivers license
23 revoked pursuant to G.S. 20-23 or G.S. 20-23.2 when the offense for which
24 the person's license was revoked prohibits substantially similar conduct
25 which if committed in this State would result in a conviction of driving
26 while impaired under G.S. 20-138.1, that the person not operate a vehicle
27 with an alcohol concentration greater than 0.00 at any relevant time after the
28 driving;

32 consuming alcohol or drugs, G.S. 20-138.3, felony death by vehicle,
33 G.S. 20-141.4(a1), manslaughter or negligent homicide resulting from the
34 operation of a motor vehicle when the offense involved impaired driving, or
35 a revocation under this subsection, that the person not operate a vehicle with
36 an alcohol concentration of greater than 0.00 at any relevant time after the
37 driving;

- 1 (4) For any restoration of a drivers license revoked pursuant to G.S. 20-23 or
2 G.S. 20-23.2 when the offense for which the person's license was revoked

6 consuming alcohol or drugs, G.S. 20-138.3, a violation of G.S. 20-141.4, or

8 vehicle when the offense involved impaired driving, that the person not
9 operate vehicle with an alcohol concentration of greater than 0.00 at any
10 relevant time after the driving.

11 In addition, the person seeking restoration of a license must agree to submit to a chemical
12 analysis in accordance with G.S. 20-16.2 at the request of a law enforcement officer who has
13 reasonable grounds to believe the person is operating a motor vehicle on a highway or public
14 vehicular area in violation of the restriction specified in this subsection. The person must also
15 agree that, when requested by a law enforcement officer, the person will agree to be transported
16 by the law enforcement officer to the place where chemical analysis is to be administered.

17 The restrictions placed on a license under this subsection shall be in effect (i) seven years
18 from the date of restoration if the person's license was permanently revoked, (ii) until the
19 person's twenty-first birthday if the revocation was for a conviction under G.S. 20-138.3, and
20 (iii) three years in all other cases.

21 A law enforcement officer who has reasonable grounds to believe that a person has violated
22 a restriction placed on the person's drivers license shall complete an affidavit pursuant to
23 G.S. 20-16.2(c1). On the basis of information reported pursuant to G.S. 20-16.2, the Division
24 shall revoke the drivers license of any person who violates a condition of reinstatement
25 imposed under this subsection. An alcohol concentration report from an ignition interlock
26 system shall not be used as the basis for revocation under this subsection. A violation of a
27 restriction imposed under this subsection or the willful refusal to submit to a chemical analysis
28 shall result in a one-year revocation. If the period of revocation was imposed pursuant to
29 subsection (d) or (e), or G.S. 20-138.5(d), any remaining period of the original revocation, prior
30 to its reduction, shall be reinstated and the one-year revocation begins after all other periods of
31 revocation have terminated."

32 **SECTION 2.** G.S. 20-19(e3) reads as rewritten:

33 "(e3) If the Division restores a person's license under subsection ~~(e1) or (e2)~~(e1), (e2), or
34 (e4) of this section, it may place reasonable conditions or restrictions on the person for any
35 period up to five years from the date of restoration."

36 **SECTION 3.** G.S. 20-19 is amended by adding a new subsection to read:

37 "(e4) When a person's license is revoked under G.S. 20-138.5(d), the Division may
38 conditionally restore the license of that person after it has been revoked for at least 10 years
39 after the completion of any sentence imposed by the court, if the person provides the Division
40 with satisfactory proof of all of the following:

- 41 (1) In the 10 years immediately preceding the person's application for a restored
42 license, the person has not been convicted in North Carolina or in any other
43 state or federal court of a motor vehicle offense, an alcohol beverage control
44 law offense, a drug law offense, or any other criminal offense.
45 (2) The person is not currently an excessive user of alcohol, drugs, or
46 prescription drugs, or unlawfully using any controlled substance."

47 **SECTION 4.** G.S. 20-19(k) reads as rewritten:

48 "(k) Before the Division restores a driver's license that has been suspended or revoked
49 under G.S. 20-138.5(d), or under any provision of this Article, other than G.S. 20-24.1, the
50 person seeking to have his driver's license restored shall submit to the Division proof that he

1 has notified his insurance agent or company of his seeking the restoration and that he is
2 financially responsible. Proof of financial responsibility shall be in one of the following forms:

- 3 (1) A written certificate or electronically-transmitted facsimile thereof from any
4 insurance carrier duly authorized to do business in this State certifying that
5 there is in effect a nonfleet private passenger motor vehicle liability policy
6 for the benefit of the person required to furnish proof of financial
7 responsibility. The certificate or facsimile shall state the effective date and
8 expiration date of the nonfleet private passenger motor vehicle liability
9 policy and shall state the date that the certificate or facsimile is issued. The
10 certificate or facsimile shall remain effective proof of financial responsibility
11 for a period of 30 consecutive days following the date the certificate or
12 facsimile is issued but shall not in and of itself constitute a binder or policy
13 of insurance or
- 14 (2) A binder for or policy of nonfleet private passenger motor vehicle liability
15 insurance under which the applicant is insured, provided that the binder or
16 policy states the effective date and expiration date of the nonfleet private
17 passenger motor vehicle liability policy.

18 The preceding provisions of this subsection do not apply to applicants who do not own
19 currently registered motor vehicles and who do not operate nonfleet private passenger motor
20 vehicles that are owned by other persons and that are not insured under commercial motor
21 vehicle liability insurance policies. In such cases, the applicant shall sign a written certificate to
22 that effect. Such certificate shall be furnished by the Division and may be incorporated into the
23 restoration application form. Any material misrepresentation made by such person on such
24 certificate shall be grounds for suspension of that person's license for a period of 90 days.

25 For the purposes of this subsection, the term "nonfleet private passenger motor vehicle" has
26 the definition ascribed to it in Article 40 of General Statute Chapter 58.

27 The Commissioner may require that certificates required by this subsection be on a form
28 approved by the Commissioner. The financial responsibility required by this subsection shall be
29 kept in effect for not less than three years after the date that the license is restored. Failure to
30 maintain financial responsibility as required by this subsection shall be grounds for suspending
31 the restored driver's license for a period of thirty (30) days. Nothing in this subsection precludes
32 any person from showing proof of financial responsibility in any other manner authorized by
33 Articles 9A and 13 of this Chapter."

34 **SECTION 5.** G.S. 20-17.8 is amended by adding a new subsection to read:

35 "(a1) Additional Scope. – This section applies to a person whose license was revoked as a
36 result of a conviction of habitual impaired driving, G.S. 20-138.5."

37 **SECTION 6.** G.S. 20-17.8(b) reads as rewritten:

38 "(b) Ignition Interlock Required. – Except as provided in subsection (l) of this section,
39 when the Division restores the license of a person who is subject to this section, in addition to
40 any other restriction or condition, it shall require the person to agree to and shall indicate on the
41 person's drivers license the following restrictions for the period designated in subsection (c):

- 42 (1) A restriction that the person may operate only a vehicle that is equipped with
43 a functioning ignition interlock system of a type approved by the
44 Commissioner. The Commissioner shall not unreasonably withhold approval
45 of an ignition interlock system and shall consult with the Division of
46 Purchase and Contract in the Department of Administration to ensure that
47 potential vendors are not discriminated against.
- 48 (2) A requirement that the person personally activate the ignition interlock
49 system before driving the motor vehicle.
- 50 (3) An alcohol concentration restriction as follows:

- 1 a. If the ignition interlock system is required pursuant only to
2 subdivision (a)(1) of this section, a requirement that the person not
3 drive with an alcohol concentration of 0.04 or greater;
- 4 b. If the ignition interlock system is required pursuant to subdivision
5 (a)(2) or subsection (a1) of this section, a requirement that the person
6 not drive with an alcohol concentration of greater than 0.00; or
- 7 c. If the ignition interlock system is required pursuant to subdivision
8 (a)(1) of this section, and the person has also been convicted, based
9 on the same set of circumstances, of: (i) driving while impaired in a
10 commercial vehicle, G.S. 20-138.2, (ii) driving while less than 21
11 years old after consuming alcohol or drugs, G.S. 20-138.3, (iii) a
12 violation of G.S. 20-141.4, or (iv) manslaughter or negligent
13 homicide resulting from the operation of a motor vehicle when the
14 offense involved impaired driving, a requirement that the person not
15 drive with an alcohol concentration of greater than 0.00."

16 **SECTION 7.** This act becomes effective December 1, 2009, and applies to
17 applications for reinstatement that occur on or after that date.
