The number of years in the base 10 period for which grant payments may be made shall not exceed five years. 11 For high-yield projects in which the business receives the enhanced (1)12 percentage pursuant to subsection (a1) of this section, 20 years starting with 13 the first year a grant payment is made. If a business is disqualified from the 14 enhanced percentage in one of the first 12 years, the term of the grant shall 15 not exceed 12 years starting with the first year a grant payment is made. If a 16 business is disqualified from receiving the enhanced percentage after the 17 first 12 years, the term of the grant ends in the year the disqualification 18 occurs. 19 For all other projects, 12 years starting with the first year a grant payment is (2) 20 made. 21 (c) The grant may be based only on eligible positions created during the base period. 22 For any eligible position that is located in a development tier three area, (d) 23 seventy-five percent (75%) of the annual grant approved for disbursement shall be payable to 24 the business, and twenty-five percent (25%) shall be payable to the Utility Account pursuant to 25 G.S. 143B-437.61. For any eligible position that is located in a development tier two area, 26 eighty-five percent (85%) of the annual grant approved for disbursement shall be payable to the 27 business, and fifteen percent (15%) shall be payable to the Utility Account pursuant to 28 G.S. 143B-437.61. A position is located in the development tier area that has been assigned to 29 the county in which the project is located at the time the application is filed with the 30 Committee. This subsection does not apply to a high-yield project in years in which the 31 business receives the enhanced percentage pursuant to subsection (a1) of this section. 32 A business that is receiving any other grant by operation of State law may not (e) 33 receive an amount as a grant pursuant to this Part that, when combined with any other grants, 34 exceeds seventy-five percent (75%) of the withholdings of the business, unless the Committee 35 makes an explicit finding that the additional grant is necessary to secure the project. 36 The amount of a grant associated with any specific eligible position, including any (f) 37 amount transferred to the Utility Account pursuant to G.S. 143B-437.61, may not exceed six 38 thousand five hundred dollars (\$6,500) in any year." 39 SECTION 5.(e) G.S. 143B-437.62 reads as rewritten: 40 "§ 143B-437.62. Expiration. 41 The authority of the Committee to award new grants expires January 1, 2016.2018." 42 SECTION 5.(f) This section is effective when it becomes law and applies to 43 awards made under Part 2G of Article 10 of Chapter 143B of the General Statutes on or after 44 that date. 45 46 PART VI. EFFECTIVE DATE 47 **SECTION 6.** Except as otherwise provided, this act is effective when it becomes 48 law.
