28 permit in a county adjacent to the county in which the advertisement was published instead of  
29 the county in which it was published may not be held to be invalid because of the lack of a  
30 second class United States mail permit in the proper county.

31 **"§ 1-602. Publication via county-maintained Web site.**

32 (a) In lieu of publishing in a newspaper in accordance with this Article, publication of

48 supplements for teachers as defined by G.S. 115C-325.1(6).

49 (d) Whenever a county has published a notice or any other paper, document, or legal  
50 advertisement within the meaning of G.S. 1-597 and a county employee makes a written  
51 statement under oath taken before any notary public or other officer or person authorized by

1 law to administer oaths, stating that the county placed such notice, paper, document, or legal  
2 advertisement upon its Web site, such sworn written statement shall be received in all courts in  
3 this State as prima facie evidence that the county placed the notice, paper, document, or legal  
4 advertisement upon its Web site for the stated period of time. When filed in the office of the  
5 clerk of the superior court of that county, any such sworn statement shall be deemed to be a  
6 record of the court, and such record or a copy thereof duly certified by the clerk shall be prima  
7 facie evidence that the county placed the notice, paper, document, or legal advertisement upon
