

Article 45.

Essential Property Insurance for Beach Area Property.

§ 58-45-1. Declarations and purpose of Article.

(a) It is hereby declared by the General Assembly of North Carolina that an adequate market for essential property insurance is necessary to the economic welfare of the beach and coastal areas of the State of North Carolina and that without such insurance the orderly growth and development of those areas would be severely impeded; that furthermore, adequate insurance upon property in the beach and coastal areas is necessary to enable homeowners and commercial owners to obtain financing for the purchase and improvement of their property; and that while the need for such insurance is increasing, the market for such insurance is not adequate and is likely to become less adequate in the future; and that the present plans to provide adequate insurance on property in the beach and coastal areas, while deserving praise, have not been sufficient to meet the needs of this area. It is further declared that the State has an obligation to provide an equitable method whereby every licensed insurer writing essential property insurance in North Carolina is required to meet its public responsibility instead of shifting the burden to a few willing and public-spirited insurers. It is the purpose of this Article to accept this obligation and to provide a mandatory program to assure an adequate market for essential property insurance in the beach and coastal areas of North Carolina.

(b) The General Assembly further declares that it is its intent in creating and, from time to time, amending this Article that the market provided by this Article not be the first market of choice, but the market of last resort.

(c) It is the intent of the General Assembly that except for North Carolina gross premium taxes and the fire and lightning tax, the activities of the Association be exempt from State and federal taxation to the fullest extent permitted by law. (1967, c. 1111, s. 1; 1969, c. 249; 1979, c. 601, s. 1; 1997-498, s. 9; 2009-472, s. 1.)

§ 58-45-10. North Carolina Insurance Underwriting Association created.

There is hereby created the North Carolina Insurance Underwriting Association, consisting of all insurers authorized to write and engage in writing within this State, on a direct basis, essential

property insurance, except town and county mutual insurance associations and assessable mutual companies as authorized by G.S. 58-7-75(5)b, 58-7-75(5)d, and 58-7-75(7)b and except an insurer who only writes insurance in this State on property exempted from taxation by the provisions of G.S. 105-278.1 through G.S. 105-278.8. Every such insurer shall be a member of the Association and shall remain a member of the Association so long as the Association is in existence as a condition of its authority to continue to transact the business of insurance in this State. (1967, c. 1111, s. 1; 1969, c. 249; 1971, c. 1067, s. 2; 1987 (Reg. Sess., 1988), c. 975, s. 20; 1998-211, s. 6.)

§ 58-45-15. Powers and duties of Association.

The Association shall, pursuant to the provisions of this Article and the plan of operation, and with respect to the insurance coverages authorized in this Article, have the power on behalf of its members:

- (1) To cause to be issued policies of insurance to applicants.
- (2) To assume reinsurance from its members.
- (3) To cede reinsurance to its members and to purchase reinsurance in behalf of its members.
- (4) To pledge the proceeds of assessments, projected reinsurance recoveries, other recoverables, and any other funds available to the Association as the source of revenue for and to secure lines of credit or other borrowings or financing arrangements necessary to fund any actual, projected, or future deficits of the Association, including borrowing from member companies.
- (5) To publish in the North Carolina Register all homeowners' rate filings with the Department of Insurance.
- (6) To provide grants for mitigation of risk of loss to policyholders with premiums, funds appropriated to the Association for that purpose by the General Assembly, or funds donated or granted to the Association. (1967, c. 1111, s. 1; 1969, c. 249; 1999-114, s. 7; 2009-472, s. 1; 2021-180, s. 5.9(j).)

§ 58-45-20. Temporary directors of Association.

Within 10 days after April 17, 1969, the Commissioner shall appoint a temporary board of directors of this Association, which shall consist of 11 representatives of members of the Association. Such temporary board of directors shall prepare and submit a plan of operation in accordance with G.S. 58-45-30 and shall serve until the permanent board of directors shall take office in accordance with said plan of operation. (1967, c. 1111, s. 1; 1969, c. 249.)

§ 58-45-25. Each member of Association to participate in nonrecoupable assessments.

(a) Subject to the limitations contained in G.S. 58-45-47, each member of the Association shall participate in the nonrecoupable assessments levied by the Association in the proportion that its net direct premium written in this State during the preceding calendar year for residential and commercial properties outside of the beach and coastal areas bears to the aggregate net direct premiums written in this State during the preceding calendar year for residential and commercial properties outside of the beach and coastal areas by all members of the Association, as certified to the Association by the Commissioner. The Commissioner shall certify each member's participation after review of annual statements and any other reports and data necessary to determine participation and may obtain any necessary information or data from any member of the Association for this purpose. Any insurer that is authorized to write and that is engaged in writing

any insurance, the writing of which requires the insurer to be a member of the Association under G.S. 58-45-10, shall become a member of the Association on the first day of January after authorization. The determination of the insurer's participation in the Association shall be made as of the date of membership of the insurer in the same manner as for all other members of the Association.

(b) All member companies shall receive credit each year for essential property insurance, farmowners insurance, homeowners insurance, and the property portion of commercial multiple peril policies voluntarily written in the beach and coastal areas in accordance with guidelines and procedures to be submitted by the Directors to the Commissioner for approval. Such credits also shall apply to any nonrecoupable assessments levied pursuant to G.S. 58-45-47. The participation of each member company in the nonrecoupable assessments levied by the Association shall be reduced accordingly; provided, no credit shall be given where coverage for the peril of wind has been excluded. The guidelines and procedures for granting credit shall encourage and assist each member company to voluntarily write these coverages in the beach and coastal areas for commercial and residential properties.

(b1) The accumulated surplus of the Association shall be retained from year to year and used to pay losses, reinsurance costs, and other operating expenses as necessary. No member company shall be entitled to the distribution of any portion of the Association's surplus, except pursuant to judgments entered prior to August 26, 2009.

(b2) The premiums, surplus, assessments, investment income, and other revenue of the Association are funds received for the sole purpose of providing insurance coverage, paying claims for Association policyholders, purchasing reinsurance, securing and repaying debt obligations issued by the Association, and conducting all other activities of the Association, as required or permitted by this Article. Accumulated surplus shall not be removed from the Association or used for other purposes except pursuant to judgments entered prior to August 26, 2009.

(c) The North Carolina Insurance Underwriting Association shall use the "take out" program, as filed with and approved by the Commissioner, in the coastal area. (1967, c. 1111, s. 1; 1969, c. 249; 1991, c. 720, s. 58; 1995 (Reg. Sess., 1996), c. 592, s. 1; 1997-498, s. 2; 2009-472, s. 1.)

§ 58-45-30. Directors to submit plan of operation to Commissioner; review and approval; amendments; appeal from Commissioner to superior court.

(a) The Directors shall submit to the Commissioner for his review and approval, a proposed plan of operation. The plan shall set forth the number, qualifications, terms of office, and manner of election of the members of the board of directors, and shall grant proper credit annually to each member of the Association for essential property insurance, farmowners, homeowners insurance, and the property portion of commercial multiple peril policies voluntarily written in the beach and coastal areas and shall provide for the efficient, economical, fair and nondiscriminatory administration of the Association and for the prompt and efficient provision of essential property insurance in the beach and coastal areas of North Carolina to promote orderly community development in those areas and to provide means for the adequate maintenance and improvement of the property in those areas. The plan may include the establishment of necessary facilities; management of the Association; the assessment of members to defray losses and expenses; underwriting standards; procedures for the acceptance and cession of reinsurance; procedures for determining the amounts of insurance to be provided to specific risks; time limits and procedures

for processing applications for insurance; and any other provisions that are considered necessary by the Commissioner to carry out the purposes of this Article.

(b) The proposed plan and any amendments thereto shall be filed with the Commissioner and approved by him if he finds that such plan fulfills the purposes provided by G.S. 58-45-1. In the review of the proposed plan the Commissioner may, in his discretion, consult with the directors of the Association and may seek any further information which he deems necessary to his decision. If the Commissioner approves the proposed plan, he shall certify such approval to the directors and the plan shall become effective 10 days after such certification. If the Commissioner disapproves all or any part of the proposed plan of operation he shall return the same to the directors with his written statement for the reasons for disapproval and any recommendations he may wish to make. The directors may alter the plan in accordance with the Commissioner's recommendation or may within 30 days from the date of disapproval return a new plan to the Commissioner. Should the directors fail to submit a plan that meets the requirements of this Article or accept the recommendations of the Commissioner within 30 days after his disapproval of the plan, the Commissioner shall promulgate and place into effect a plan of operation that meets the requirements of this Article certifying the same to the directors of the Association. Any such plan promulgated by the Commissioner shall take effect 10 days after certification to the directors.

(c) The directors of the Association may, subject to the approval of the Commissioner, amend the plan of operation at any time. The Commissioner may review the plan of operation at any time the Commissioner deems expedient or prudent, but not less than once in each calendar year. After review of the plan the Commissioner may amend the plan after consultation with the directors and upon certification to the directors of the amendment. Any order of the Commissioner with respect to the proposed plan of operation or any amendments thereto shall be subject to review upon petition by the Association as provided by G.S. 58-2-75.

(d) As used in this subsection, "homeowners' insurance policy" means a multiperil policy providing full coverage of residential property similar to the coverage provided under an HO-2, HO-3, HO-4, or HO-6 policy under Article 36 of this Chapter. The Association shall issue, for principal residences, homeowners' insurance policies approved by the Commissioner. Homeowners' insurance policies shall be available to persons who reside in the beach and coastal areas who meet the Association's underwriting standards and who are unable to obtain homeowners' insurance policies from insurers that are authorized to transact and are actually writing homeowners' insurance policies in this State. The Association shall file for approval by the Commissioner underwriting standards to determine whether property is insurable. The standards shall reflect underwriting standards commonly used in the voluntary homeowners' insurance business. The terms and conditions of the homeowners' insurance policies available under this subsection shall not be more favorable than those of homeowners' insurance policies available in the voluntary market in beach and coastal counties.

(e) The Association shall, subject to the Commissioner's approval or modification, provide in the plan of operation for coverage for appropriate classes of manufacturing risks.

(f) As used in this section, "plan of operation" includes all written rules, practices, and procedures of the Association, except for staffing and personnel matters. (1967, c. 1111, s. 1; 1969, c. 249; 1986, Ex. Sess., c. 7, s. 8; 1987, c. 731, s. 1; c. 864, s. 41; 1991, c. 720, s. 59; 1991 (Reg. Sess., 1992), c. 784, s. 5; 1997-498, s. 3; 2002-185, s. 2; 2003-158, ss. 1, 3.1; 2009-472, s. 1.)

§ 58-45-35. Persons eligible to apply to Association for coverage; contents of application.

(a) Any person having an insurable interest in insurable property, may, on or after the effective date of the plan of operation, be entitled to apply to the Association for such coverage and for an inspection of the property. An insurance producer authorized by the applicant may apply on the applicant's behalf. Each application shall contain a statement as to whether or not there are any unpaid premiums due from the applicant for essential property insurance on the property.

The term "insurable interest" as used in this subsection shall include any lawful and substantial economic interest in the safety or preservation of property from loss, destruction or pecuniary damage.

(b) If the Association determines that the property is insurable and that there is no unpaid premium due from the applicant for prior insurance on the property, the Association, upon receipt of the premium, or part of the premium, as is prescribed in the plan of operation, shall cause to be issued a policy of essential property insurance and shall offer additional extended coverage, optional perils endorsements, business income and extra expense coverage, crime insurance, separate policies of windstorm and hail insurance, or their successor forms of coverage, for a term of one year or three years. Short term policies may also be issued. Any policy issued under this section shall be renewed, upon application, as long as the property is insurable property.

(b1) If the Association determines that the property, for which application for a homeowners' policy is made, is insurable, that there is no unpaid premium due from the applicant for prior insurance on the property, and that the underwriting guidelines established by the Association and approved by the Commissioner are met, the Association, upon receipt of the premium, or part of the premium, as is prescribed in the plan of operation, shall cause to be issued a homeowners' insurance policy.

(c) If the Association, for any reason, denies an application and refuses to cause to be issued an insurance policy on insurable property to any applicant or takes no action on an application within the time prescribed in the plan of operation, the applicant may appeal to the Commissioner and the Commissioner, or the Commissioner's designee from the Commissioner's staff, after reviewing the facts, may direct the Association to issue or cause to be issued an insurance policy to the applicant. In carrying out the Commissioner's duties under this section, the Commissioner may request, and the Association shall provide, any information the Commissioner deems necessary to a determination concerning the reason for the denial or delay of the application.

(d) An insurance producer who is licensed under Article 33 of this Chapter and is appointed as an agent of a company which is a member of the Association established under this Article shall not be deemed an agent of the Association. The foregoing notwithstanding, an agent of a company which is a member of the Association shall have the authority, subject to the underwriting guidelines established by the Association, to temporarily bind coverage with the Association. The Association shall establish rules and procedures, including any limitations for binding authority, in the plan of operation.

Any unearned premium on the temporary binder shall be returned to the policyholder if the Association refuses to issue a policy. Nothing in this section shall prevent the Association from suspending binding authority in accordance with its plan of operation.

(e) Policies of windstorm and hail insurance provided for in subsection (b) of this section are available only for risks in the beach and coastal areas for which essential property insurance has been written by licensed insurers. Whenever such other essential property insurance written by licensed insurers includes replacement cost coverage, the Association shall also offer replacement cost coverage. In order to be eligible for a policy of windstorm and hail insurance, the applicant shall provide the Association, along with the premium payment for the windstorm and hail

insurance, a certificate that the essential property insurance is in force. The policy forms for windstorm and hail insurance shall be filed by the Association with the Commissioner for the Commissioner's approval before they may be used. Catastrophic losses, as determined by the Association and approved by the Commissioner, that are covered under the windstorm and hail coverage in the beach and coastal areas shall be adjusted by the licensed insurer that issued the essential property insurance and not by the Association. The Association shall reimburse the insurer for reasonable expenses incurred by the insurer in adjusting windstorm and hail losses. (1967, c. 1111, s. 1; 1969, c. 249; 1985, c. 516, s. 2; 1985 (Reg. Sess., 1986), c. 1027, s. 22; 1987, c. 421, ss. 1, 2; c. 629, s. 11; c. 864, s. 24; 1987 (Reg. Sess., 1988), c. 975, ss. 21-23; 1989, c. 376; c. 485, s. 26; 1991, c. 720, s. 25; 1991 (Reg. Sess., 1992), c. 784, s. 1; 1995, c. 517, s. 28; 1995 (Reg. Sess., 1996), c. 740, s. 1; 1997-498, ss. 5, 6; 2001-421, s. 4.1; 2002-185, s. 4.1; 2003-158, s. 2; 2022-46, s. 14(kkk).)

§ 58-45-36. Temporary contracts of insurance.

Consistent with G.S. 58-45-35(d), the Association shall be temporarily bound by a written temporary binder of insurance issued by any duly licensed insurance producer. Coverage shall be effective upon payment to the insurance producer of the entire premium or part of the premium, as prescribed by the Association's plan of operation. Nothing in this section shall impair or restrict the rights of the Association under G.S. 58-45-35(b) to decline to issue a policy based upon a lack of insurability as determined by the Association or the existence of an unpaid premium due from the applicant. (2002-185, s. 4.2; 2022-46, s. 14(///).)

§ 58-45-40. Association members may cede insurance to Association.

Any member of the Association may cede to the Association essential property insurance written on insurable property, to the extent, if any, and on the terms and conditions set forth in the plan of operation. (1967, c. 1111, s. 1; 1969, c. 249.)

§ 58-45-41. Coverage limits.

(a) The Association shall cause to be issued insurance up to the reasonable value of the insurable property, subject to a maximum of seven hundred fifty thousand dollars (\$750,000) on habitational property. The above limits on habitational property shall apply to the value of the building only. Insurance issued by the Association for commercial property shall not exceed three million dollars (\$3,000,000) on any freestanding structure or any building unit within multiple firewall divisions, provided the aggregate insurance on structures with multiple firewall divisions shall not exceed six million dollars (\$6,000,000) on all interest at one risk.

(b) Contents of habitational property can be insured up to forty percent (40%) of the building value. The Association shall ensure that rates accurately reflect the maximum limits for contents coverage and any reduction in contents coverage limits for habitational property.

(c) If the value of the property exceeds the maximum coverage limits as described in this section, the Association shall not issue coverage without the insured's purchase of excess coverage to the full value of the property insured. (2009-472, s. 1.)

§ 58-45-45. Rates, rating plans, rating rules, and forms applicable.

(a) Rates shall not be excessive, inadequate, or unfairly discriminatory. Except as provided in subsections (a1), (a2), and (b) of this section, rates, rating plans, rating rules, and forms applicable to the insurance written by the Association shall be in accordance with the most recent manual rates or adjusted loss costs and forms that are legally in effect in the State. Except as

provided in subsection (c) of this section, no special surcharge, other than those presently in effect, may be applied to the property insurance rates of properties located in the beach and coastal areas.

(a1) The Association's rates shall be the North Carolina Rate Bureau Manual Rates plus a surcharge of five percent (5%) of the applicable North Carolina Rate Bureau Manual Rate for wind and hail coverage and a surcharge of fifteen percent (15%) of the applicable North Carolina Rate Bureau Manual Rate for homeowners' insurance including wind and hail coverage. It is the intent of the General Assembly that these surcharges ensure that the Coastal Property Insurance Pool is the market of last resort over and above the manual rate.

(a2) **(See Editor's note)** The Association shall offer a deductible for named storm wind and hail losses of one percent (1%) of the insured value of the property for all policies and may offer any other deductible options provided by the North Carolina Rate Bureau, so long as the deductible is not lower than one percent (1%) of the insured value of the property applicable to named storm wind and hail losses.

(b) The rates, rating plans, and rating rules for the separate policies of windstorm and hail insurance described in G.S. 58-45-35(b) shall be filed by the Association with the Commissioner for the Commissioner's approval, disapproval, or modification. The provisions of Articles 40 and 41 of this Chapter shall govern the filings. Policy deductible plans, consistent with G.S. 58-45-1(b), may be filed by the Association with the Commissioner for the Commissioner's approval, disapproval, or modification.

(c) Repealed by Session Laws 2009-472, s. 1.

(d) When the Association files rates, classification plans, rating plans, rating systems, or surcharges, the procedures of G.S. 58-40-25 through G.S. 58-40-45 shall apply, and the appeal procedures of G.S. 58-2-80 and G.S. 58-2-85 shall apply to filings under this section, except as otherwise provided.

(e) The Association shall file no later than May 1, 2010, a schedule of credits for policyholders based on the presence of mitigation and construction features and on the condition of buildings that it insures. The Association shall develop rules applicable to the operation of the schedule and the mitigation program with approval by the Commissioner. The schedule shall not be unfairly discriminatory and shall be reviewed by the Association annually, with the results included as part of the Association's annual report to the Commissioner.

(f) The Association shall file not later than May 1, 2010, with the Commissioner an installment plan for premium payments and shall accept other methods of payment that are the same as those filed by the North Carolina Rate Bureau. The Association shall collect an installment fee if premiums are paid other than on an annual basis.

(g) The Association shall consider the purchase of reinsurance each calendar year in order to maintain the ability to pay losses and expenses from a named storm or combination of named storms. (1967, c. 1111, s. 1; 1969, c. 249; 1979, c. 601, s. 4; 1987 (Reg. Sess., 1988), c. 975, s. 24; 1991 (Reg. Sess., 1992), c. 784, s. 2; 1997-498, ss. 7, 8; 1999-114, s. 7.1; 2003-158, s. 3; 2009-472, s. 1.)

§ 58-45-46. Unearned premium, loss, and loss expense reserves.

The Association shall make provisions for reserving unearned premiums and reserving for losses, including incurred but not reported losses, and loss expenses, in accordance with G.S. 58-3-71, 58-3-75, and 58-3-81. (2002-185, s. 5.1.)

§ 58-45-47. Deficit event.

(a) In the event of losses and expenses to the Association exceeding available surplus, reinsurance, and other sources of funding of Association losses, the Association is authorized to issue a nonrecoupable assessment upon its members in accordance with its Plan of Operation. Member assessments shall not exceed one billion dollars (\$1,000,000,000) for losses incurred from any event or series of events that occur in a given calendar year, regardless of when such assessments are actually levied on or collected from member companies.

(b) When the Association knows that it has incurred losses and loss expenses in a particular calendar year that will exceed the combination of available surplus, reinsurance, and other sources of funding, including permissible member company assessments, then the Association shall immediately give notice to the Commissioner that a deficit event has occurred.

(c) Upon a determination by the Association that a deficit event has occurred, the Association shall determine, in its discretion, the appropriate means of financing the deficit, which may include, but is not limited to, the purchase of reinsurance, arranging lines of credit, or other forms of borrowing or financing. If the Association determines that the member companies have paid one billion dollars (\$1,000,000,000) in nonrecoupable assessments for losses and expenses incurred in any given year pursuant to subsection (a) of this section, the Association may, subject to the verification by the Commissioner that the dollar value of losses and expenses has reached the level necessary for a catastrophe recovery charge, authorize member companies to impose a catastrophe recovery charge on their residential and commercial property insurance policyholders statewide. Catastrophe recovery charges shall be charged as a uniform percentage of written premiums as prescribed by the Commissioner and shall not exceed an aggregate amount of ten percent (10%) of the annual policy premium on any one policy of insurance. Catastrophe recovery charges collected under this section shall be transferred directly to the Association on a periodic basis as determined by the Association and ordered by the Commissioner. The Association and the FAIR Plan also shall charge their policyholders a catastrophe recovery charge as provided in this section.

(d) The catastrophe recovery charge shall be clearly identified to policyholders on the premium statement, declarations page, or by other appropriate electronic or written method. The identification shall refer to the post-catastrophe loss for which the charge was imposed. Any such catastrophe recovery charge shall not be considered premium for any purpose, including premium taxes or commissions, except that failure to pay the catastrophe recovery charge shall be treated as failure to pay premium and shall be grounds for termination of insurance. The identified catastrophe recovery charge shall be accompanied by an explanation of the charge and shall appear on the medium by which the charge is conveyed to the policyholder. The explanatory language shall be prescribed by the Commissioner.

(e) The Association shall report quarterly to the Commissioner providing all financial information for each catastrophe recovery charge authorized by this section, including total catastrophe recovery charge funds recovered to date and any information reasonably requested by the Commissioner.

(f) The Association shall recalculate the catastrophe recovery charge amount annually and, subject to procedure approved by the Commissioner, adjust the charge percentage as needed.

(g) The catastrophe recovery charge amount shall continue until financing of the deficit event has been paid in full. Upon order of cessation, any catastrophe recovery charge amounts collected by member companies, the Association or the FAIR Plan that exceed amounts necessary for payment of the debt shall be remitted to the Association and added to the surplus for the purposes of offsetting future Association losses or expenses.

(h) Nothing contained in this section prohibits the Association from entering into any financing arrangements for the purpose of financing a deficit, provided that the pledge of catastrophe recovery charge amounts under such financing agreements shall not result in the actual levying of any catastrophe recovery charge until after the Association has incurred a deficit and until after the Commissioner has approved implementation of the Association's catastrophe recovery charge plan. (2009-472, s. 1.)

§ 58-45-50. Appeal from acts of Association to Commissioner; appeal from Commissioner to superior court.

(a) Any person or any insurer who may be aggrieved by an act, ruling, or decision of the Association other than an act, ruling, or decision relating to (i) the cause or amount of a claimed loss or (ii) the reasonableness of expenses incurred by an insurer in adjusting windstorm and hail losses, may, within 30 days after the ruling, appeal to the Commissioner. Any hearings held by the Commissioner under the appeal shall be in accordance with rules adopted by the Commissioner: Provided, however, the Commissioner is authorized to appoint a member of the Commissioner's staff as deputy commissioner for the purpose of hearing those appeals and a ruling based upon the hearing shall have the same effect as if heard by the Commissioner. All persons or insureds aggrieved by any order or decision of the Commissioner may appeal as is provided in G.S. 58-2-75.

(b) No later than 10 days before each hearing, the appellant shall file with the Commissioner or the Commissioner's designated hearing officer and shall serve on the appellee a written statement of the appellant's case and any evidence that the appellant intends to offer at the hearing. No later than five days before the hearing, the appellee shall file with the Commissioner or the designated hearing officer and shall serve on the appellant a written statement of the appellee's case and any evidence that the appellee intends to offer at the hearing. Each hearing shall be recorded and may be transcribed. If the matter is between an insurer and the Association, the cost of the recording and transcribing shall be borne equally by the appellant and appellee; provided that upon any final adjudication the prevailing party shall be reimbursed for his share of such costs by the other party. If the matter is between an insured and the Association, the cost of transcribing shall be borne equally by the appellant and appellee; provided that the Commissioner may order the Association to pay recording or transcribing costs for which the insured is financially unable to pay. Each party shall, on a date determined by the Commissioner or the designated hearing officer, but not sooner than 15 days after delivery of the completed transcript to the party, submit to the Commissioner or the designated hearing officer and serve on the other party, a proposed order. The Commissioner or the designated hearing officer shall then issue an order. (1967, c. 1111, s. 1; 1969, c. 249; 1985, c. 516, s. 3; 1989 (Reg. Sess., 1990), c. 1069, s. 18; 1991, c. 720, s. 4; 1999-219, s. 1.2; 2001-421, s. 4.2.)

§ 58-45-60. Association and Commissioner immune from liability.

There shall be no liability on the part of and no cause of action of any nature shall arise against any member insurer, the Association or its agents or employees, the board of directors, or the Commissioner or his representatives for any action taken by them in good faith in the performance

of their powers and duties under this Article. (1967, c. 1111, s. 1; 1969, c. 249; 1991, c. 720, s. 4; 1999-114, s. 5.)

§ 58-45-65. Association to file annual report with Commissioner.

The Association shall file in the office of the Commissioner on an annual basis on or before January 1 a statement which shall summarize the transactions, conditions, operations and affairs of the Association during the preceding year. Such statement shall contain such matters and information as are prescribed by the Commissioner and shall be in such form as is approved by him. The Commissioner may at any time require the Association to furnish to him any additional information with respect to its transactions or any other matter which the Commissioner deems to be material to assist him in evaluating the operation and experience of the Association. (1967, c. 1111, s. 1; 1969, c. 249; 1987 (Reg. Sess., 1988), c. 975, s. 27.)

§ 58-45-65.1. Association to be audited.

The Association shall be audited on an annual basis by an auditor selected by the Commissioner. (2009-472, s. 1.)

§ 58-45-70. Commissioner may examine affairs of Association.

The Commissioner may from time to time make an examination into the affairs of the Association when he deems it to be prudent and in undertaking such examination he may hold a public hearing pursuant to the provisions of G.S. 58-2-50. When making an examination under this section, the Commissioner may retain attorneys, appraisers, independent actuaries, independent certified public accountants, or other professionals and specialists as examiners, the reasonable cost of which shall be borne by the Association. Examinations shall be conducted in accordance with G.S. 58-2-131, 58-2-132, and 58-2-133. (1967, c. 1111, s. 1; 1969, c. 249; 2009-472, s. 1.)

§ 58-45-71. Report of member companies to Commissioner.

Each member company of the Association shall report by April 1 of each year to the Commissioner the amount of homeowners' coverage, including separate coverage for homeowners' wind and hail, written in the preceding calendar year by that member company in the beach area and the coastal area. The report shall include the number and type of homeowners' policies written by the member company in each area, the total amount of homeowners' coverage for each area, any increases and decreases in homeowners' coverage written in each area from the prior year, and other information as prescribed by the Commissioner and in such form as approved by him. (2009-472, s. 1; 2022-46, s. 18.)

§ 58-45-75. Commissioner authorized to promulgate reasonable rules and regulations.

The Commissioner shall have authority to make reasonable rules and regulations, not inconsistent with law, to enforce, carry out and make effective the provisions of this Article. The Commissioner shall not be liable for any act or omission in connection with the administration of the duties imposed upon him by the provisions of this Article. (1967, c. 1111, s. 1; 1969, c. 249; 1991, c. 720, s. 4.)

§ 58-45-80. Premium taxes to be paid through Association.

All premium taxes due on insurance written under this Article shall be remitted by each insurer to the Association; and the Association, as collecting agent for its member companies, shall

forward all such taxes to the Secretary of Revenue as provided in Article 8B of Chapter 105 of the General Statutes. (1985 (Reg. Sess., 1986), c. 928, s. 10; 1995 (Reg. Sess., 1996), c. 747, s. 12.)

§ 58-45-85. Assessment; inability to pay.

(a) If any insurer fails, by reason of insolvency, to pay any assessment as provided in this Article, the amount assessed each insurer shall be immediately recalculated, excluding the insolvent insurer, so that its assessment is assumed and redistributed among the remaining insurers. Any assessment against an insolvent insurer shall not be a charge against any special deposit fund held under the provisions of Article 5 of this Chapter for the benefit of policyholders.

(b) The nonrecoupable assessment of a member insurer may be ordered deferred in whole or in part upon application by the insurer if, in the opinion of the Commissioner or his designee, payment of the assessment would render the insurer insolvent or in danger of insolvency or would otherwise leave the insurer in a condition so that further transaction of the insurer's business would be hazardous to its policyholders. If payment of an assessment against a member insurer is deferred by order of the Commissioner or his designee in whole or in part, the amount by which the assessment is deferred must be assessed against other member insurers in the same manner as provided in this Article. In its order of deferral, or in necessary subsequent orders, the Commissioner or his designee shall prescribe a plan by which the assessment so deferred must be repaid to the Association by the impaired insurer with interest at the six-month treasury bill rate adjusted semiannually. The plan also shall provide for the reimbursement of excess assessments paid by member companies as a result of a deferral of assessments for an impaired insurer. (1991 (Reg. Sess., 1992), c. 784, s. 7; 2009-472, s. 1.)

§ 58-45-90. Open meetings.

The Association is subject to the Open Meetings Act, Article 33C of Chapter 143 of the General Statutes, as amended. (2002-185, s. 7.1.)

§ 58-45-95. Information availability.

Information concerning the Association's activities shall be made fully available upon request provided that no competitive information concerning an individual company's business plans, data, or operations may be disclosed by the Association if such company has properly designated such information as being a trade secret pursuant to G.S. 66-152(3) upon submitting such information to the Association. No confidential information may be disclosed by the Association identifying individual policyholders without such policyholders' consent unless such information is provided pursuant to reasonable rules adopted by the Association permitting such information to be disclosed for the purpose of enhancing the availability of insurance that is written in the voluntary market. (2009-472, s. 1.)

§ 58-45-96. Succession and dissolution.

In the event that a successor organization is created to perform the Association's general functions, the surplus, assets, and liabilities then held by the Association shall be transferred to such successor organization. The pledge or sale of, the lien upon, and the security interest in any rights, revenues, or other assets of the Association created pursuant to any financing arrangements entered into by the Association shall be and remain valid and enforceable on the successor organization, notwithstanding the commencement of any rehabilitation, insolvency, liquidation,

bankruptcy, conservatorship, reorganization, or similar proceeding against the Association. No such proceeding shall relieve the Association of its obligation to continue to collect assessments or other revenues pledged pursuant to any financing arrangements. In the event of dissolution, surplus then held shall not be distributed to member insurers. (2009-472, s. 1.)
