

§ 106-50.32. Labeling of containers.

Every soil additive container shall be labeled on the face or display side in readable and conspicuous form showing:

- (1) The product name;
- (2) The guaranteed analysis;
- (3) A statement of claim or purpose;
- (4) Adequate directions for use;
- (5) Net weight or volume;
- (6) Name and address of registrant. (1977, c. 233, s. 5.)
