

**§ 106-945. Permit conditions.**

Permits issued under this Article shall be issued in the name of the person undertaking the burning and shall specify the specific area in which the burning is to occur, the type and amount of material to be burned, the duration of the permit, and such other factors as are necessary to identify the burning which is allowed under the permit. (1981, c. 1100, s. 2; 2011-145, s. 13.25(w).)
