

§ 113A-7. Other statutory obligations of agencies.

Nothing in this Article shall in any way affect nor detract from specific statutory obligations of any State agency

- (1) To comply with criteria or standards of environmental quality or to perform other statutory obligations imposed upon it,
- (2) To coordinate or consult with any other State agency or federal agency, or
- (3) To act, or refrain from acting contingent upon the recommendations or certification of any other State agency or federal agency. (1971, c. 1203, s. 7.)
