

**§ 115C-105.33. Safe and orderly schools.**

A school improvement team or a parent organization at a school may ask the local board of education to provide assistance in promoting or restoring safety and an orderly learning environment at a school. The school improvement team or parent organization shall file a copy of this request with the State Board. If the local board fails to provide adequate assistance to the school, then the school improvement team or parent organization may ask the State Board to provide an assistance team to the school.

The State Board may provide an assistance team, established under G.S. 115C-105.38, to a school in order to promote or restore safety and an orderly learning environment at that school if one of the following applies:

- (1) The local board of education or superintendent requests that the State Board provide an assistance team to a school and the State Board determines that the school needs assistance.
- (2) The State Board determines within 10 days after its receipt of the request for assistance from a school improvement team or parent organization of a school that the school needs assistance and that the local board has failed to provide adequate assistance to that school.

If an assistance team is assigned to a school under this section, the team shall spend a sufficient amount of time at the school to assess the problems at the school, assist school personnel with resolving those problems, and work with school personnel and others to develop a long-term plan for restoring and maintaining safety and an orderly learning environment at the school. The assistance team also shall make recommendations to the local board of education and the superintendent on actions the board and the superintendent should consider taking to resolve problems at the school. These recommendations shall be in writing and are public records. If an assistance team is assigned to a school under this section, the powers given to the State Board and the assistance team under G.S. 115C-105.38 and G.S. 115C-105.39 shall apply as if the school had been identified as low-performing under this Article.
