

§ 130A-70. District and municipality extending boundaries and corporate limits simultaneously.

(a) When the boundaries of a sanitary district lie entirely within or are coterminous with the corporate limits of a city or town and the sanitary district provides the only public water supply and sewage disposal system for the city or town, the boundaries of the sanitary district and the corporate limits of the city or town may be extended simultaneously as provided in this section.

(b) Twenty-five percent (25%) or more of the resident freeholders within the territory proposed to be annexed to the sanitary district and to the city or town may petition the sanitary district board and the governing board of the city or town setting forth the boundaries of the area proposed to be annexed and the objects annexation is proposed to accomplish. The petition may also include any area already within the corporate limits of the city or town but not already within the boundaries of the sanitary district. Upon receipt of the petition, the sanitary district board and the governing board of the city or town shall meet jointly and shall hold a public hearing prior to approval of the petition. Notice of the hearing shall be made by posting a notice at the courthouse door of the county or counties and by publishing a notice at least once a week for four consecutive weeks in a newspaper with a circulation in the county or counties. If at or after the public hearing the sanitary district board and the governing board of the city or town, acting jointly, shall each approve the petition, the petition shall be submitted to the Commission for approval. If the Commission approves the petition, the question shall be submitted to a vote of all voters in the area or areas proposed to be annexed voting as a whole. The election shall be held on a date approved by the sanitary district board and by the governing board of the city or town.

(c) The words "For Extension" and "Against Extension" shall be printed on the ballots for the election. A majority of all the votes cast is necessary for a district and municipality to extend boundaries and corporate limits simultaneously.

(d) After declaration of the extension, the territory and its citizens and property shall be subject to all debts, ordinances and rules in force in the sanitary district and in the city or town, and shall be entitled to the same privileges and benefits as other parts of the sanitary district and the city or town. The newly annexed territory shall be subject to the sanitary district and the city or town taxes levied for the fiscal year following the date of annexation.

(e) The costs of holding and conducting the election for annexation pursuant to this section, shall be shared equally by the sanitary district and by the city or town.

(f) The sanitary district board and the governing board of the city or town acting jointly, may order the board or boards of elections of the county or counties in which the sanitary district and the city or town are located, to call, hold, conduct and certify the result of the election, according to the provisions of Chapter 163 of the General Statutes.

(g) When the boundaries of a sanitary district and the corporate limits of a city or town are extended as provided in this section, and the proposition of issuing bonds of the sanitary district as enlarged has not been approved by the voters at an election held within one year subsequent to the extension, the annexed territory may be removed and excluded from the sanitary district in the manner provided in G.S. 130A-69. If the petition includes areas within the present corporate limits of the city or town but not within the present boundaries of the sanitary district, these areas shall not be removed or excluded from the city or town under the provisions of this section.

(h) The powers granted by this section shall be supplemental and additional to powers conferred by any other law and shall not be regarded as in derogation to any powers now existing.
