

§ 143B-135.158. Raising the status of an area.

Whenever in the judgment of the Secretary of the Department a scenic river segment has been sufficiently restored and enhanced in its natural scenic and recreational qualities, such segment may be reclassified with the approval of the Department, to a natural river area status and thereafter administered accordingly. (1971, c. 1167, s. 2; 1973, c. 1262, ss. 28, 86; 2015-241, s. 14.30(f).)
