

Article 2.

North Carolina State Lottery Commission.

§ 18C-110. Establishment of the North Carolina State Lottery Commission to be a self-supporting agency of the State.

There is created the North Carolina State Lottery Commission to establish and oversee the operation of a Lottery. The Commission shall be located in the Department of Commerce for budgetary purposes only; otherwise, the Commission shall be an independent, self-supporting, and revenue-raising agency of the State. The Commission shall reimburse other governmental entities that provide services to the Commission. (2005-344, s. 1.)
