

§ 58-10-215. Consolidated or combined audits.

An insurer may make written application to the Commissioner for approval to file audited consolidated or combined financial statements in lieu of separate annual audited financial statements if the insurer is part of a group of insurance companies that utilizes a pooling or one hundred percent (100%) reinsurance agreement that affects the solvency of the insurer and affects the integrity of the insurer's reserves and the insurer cedes all of its direct and assumed business to the pool. In such cases, a columnar consolidating or combining worksheet that meets all of the following criteria shall be filed with the report:

- (1) Amounts shown on the consolidated or combined audited financial report shall be shown on the worksheet.
- (2) Amounts for each insurer subject to this section shall be stated separately.
- (3) Noninsurance operations may be shown on the worksheet on a combined or individual basis.
- (4) Explanations of consolidating and eliminating entries shall be included.
- (5) A reconciliation shall be included of any differences between the amounts shown in the individual insurer columns of the worksheet and comparable amounts shown on the annual statements of the insurers. (2009-384, s. 1.)
