GENERAL ASSEMBLY OF NORTH CAROLINA SESSION 2017

HOUSE BILL DRH30190-MG-85 (03/09)

Short Title:	Establish Mandatory Dementia Care Training.	(Public)
Sponsors:	Representative Torbett.	
Referred to:		

1			A BILL TO BE ENTITLED
2			QUIRING ADULT CARE HOMES, NURSING HOMES, AND
3			ION HOMES THAT PROVIDE SPECIAL CARE FOR PERSONS WITH
4			R'S DISEASE OR OTHER DEMENTIAS TO PROVIDE DEMENTIA CARE
5			TO DIRECT CARE STAFF, ADMINISTRATIVE STAFF, AND
6			T CARE STAFF AND ESTABLISHING MINIMUM STANDARDS FOR
7	SUCH		
8	The Gener		embly of North Carolina enacts:
9			TON 1.(a) Article 1 of Chapter 131D of the General Statutes is amended by
10	-		tion to read:
11			dult care home staff; dementia care training requirements.
12	<u>(a)</u>		tions. – As used in this section, the following definitions apply:
13		<u>(1)</u>	Administrative staff Includes the senior management of an adult care
14			home, including the administrator and the managerial staff that directly
15			supervise direct care staff.
16		<u>(2)</u>	Direct care staff Any staff person of an adult care home whose work
17			involves extensive contact with facility residents, including medication
18			aides, nurses aides, personal care assistants, home health aides, personal care
19			aides, licensed practical nurses, registered nurses, nurse practitioners,
20			physician assistants, social workers, activity directors, dietary staff, and
21			physical, speech, and occupational therapy staff.
22		<u>(3)</u>	Non-direct care staff Any staff person who has incidental contact on a
23			recurring basis with adult care home residents, including housekeeping staff,
24			front desk staff, maintenance staff, other administrative staff, and other
25			individuals who have such incidental contact.
26		<u>(4)</u>	Staff person Includes full-time and part-time employees of the adult care
27			home and independent contractors and consultants of the adult care home.
28	<u>(b)</u>		ine for Completing Initial Dementia Care Training. – Within 60 days from the
29			adult care home must provide, and each staff person hired shall complete, the
30			are training described in subsection (c) of this section.
31	<u>(c)</u>		nts of Initial Dementia Care Training. –
32		<u>(1)</u>	The curriculum used to provide initial dementia care training to direct care
33			staff and administrative staff shall provide instruction in at least all of the
34			following topics:
35			a. Dementia, including the progression of the disease, memory loss, and
36			psychiatric and behavioral symptoms.

General Assem	nbly Of N	orth Carolina		Session 2017

Genera	l Asseml	oly Of North Carolina	Session 2017
<u>(a)</u>	Defin	itions As used in this section, the following definitions	<u>apply:</u>
	(1)	Administrative staff Includes the senior management	of a covered facility,
		including the administrator and the managerial staff th	hat directly supervise
		direct care staff.	
	(2)	Covered facility. – Includes nursing homes and combin	ation homes licensed
	<u>_/</u>	under this Part that provide special care for persons with	
		or other dementias.	
	<u>(3)</u>	Direct care staff. – Any staff person of a covered	facility whose work
	<u>(3)</u>	involves extensive contact with facility residents, i	•
		aides, nurses aides, personal care assistants, home healt	-
		aides, licensed practical nurses, registered nurses,	*
		physician assistants, social workers, activity director	s, dietary stall, and
		physical, speech, and occupational therapy staff.	• 1 • 1 • • •
	<u>(4)</u>	Non-direct care staff. – Any staff person who has inc	
		recurring basis with a covered facility's residents, inc	
		staff, front desk staff, maintenance staff, other administ	rative staff, and other
		individuals who have such incidental contact.	
	<u>(5)</u>	Staff person Includes full-time and part-time employed	-
		facility and independent contractors and consultants of t	
<u>(b)</u>	Dead	line for Completing Initial Dementia Care Training. – Wi	thin 60 days from the
date of	hire, eacl	n covered facility must provide, and each staff person hire	ed shall complete, the
<u>initial d</u>	ementia o	care training described in subsection (c) of this section.	
<u>(c)</u>	Conte	ents of Initial Dementia Care Training. –	
	<u>(1)</u>	The curriculum used to provide initial dementia care t	raining to direct care
		staff and administrative staff shall provide instruction	in at least all of the
		following topics:	
		<u>a.</u> <u>Dementia, including the progression of the disea</u>	se, memory loss, and
		psychiatric and behavioral symptoms.	
		b. Strategies for providing person-centered care.	
		c. Communication issues.	
			oaching behavioral
		symptoms, including alternatives to physical and	
		e. Strategies for addressing social needs and p	
		activities.	<u> </u>
		f. Information on how to address specific aspect	s of care and safety.
		such as pain, food, fluid, and wandering.	<u>, , , , , , , , , , , , , , , , , , , </u>
	<u>(2)</u>	The curriculum used to provide initial dementia care t	raining to non-direct
	<u>1=7</u>	care staff shall provide instruction in at least all of the fo	-
		<u>a.</u> Dementia, including the progression of the disea	• •
		psychiatric and behavioral symptoms.	<u>ise, memory 1055, and</u>
		b. Communication issues.	
Initi	al domar	tia care training shall be considered complete only after	the staff person has
		• • • •	·
	-	an evaluation instrument designed to test his or her com	ipetence in the topics
-		subsection.	invina domontio com
<u>(d)</u>		nuing Education. – Covered facilities shall provide cont	-
		lirect care staff, administrative staff, and non-direct care s	
	*	s specifying the frequency and content of this contin	
		ales shall include a provision requiring that continuing der	
		aff and administrative staff includes new information on	best practices in the
treatme	nt and car	re of persons with dementia.	

	General Assembly Of North Carolina	Session 2017
1	(e) Approval of Dementia Care Training Programs. – The Division of He	alth Service
2	Regulation shall identify and designate standardized training programs, inclu	ding online
3	training programs, that meet the requirements of subsections (c) and (d) of this sections	on and shall
4	also establish a process for determining whether other nonstandardized training pro-	ograms meet
5	the requirements of subsections (c) and (d) of this section. The Division of He	alth Service
6	Regulation shall not identify or designate a training program as having met the requ	uirements of
7	subsection (c) or (d) of this section unless the training program meets the following	<u>ıg minimum</u>
8	<u>criteria:</u>	
9	(1) Whether online or in-person, all training modules, presentation	<u>s, materials,</u>
10	and evaluation instruments must reflect current standards and b	est practices
11	in the care and treatment of persons with dementia.	
12	(2) Programs for initial dementia care training must include an	<u>ı evaluation</u>
13	component that includes a demonstration of skill comp	etency and
14	knowledge in the topics identified in subsection (c) of this section	on and may
15	include written or oral evaluations and care recipient and family	surveys.
16	The Division of Health Service Regulation may approve independent	evaluation
17	instruments or itself develop evaluation instruments for these programs.	
18	(f) Portability of Initial Dementia Care Training. – Upon completion of init	ial dementia
19	care training, the covered facility or training program shall cause to be issued t	o each staff
20	person who successfully completes the training a certificate of completion, wh	ich shall be
21	portable between settings. Direct care staff is not required to repeat initial de	mentia care
22	training as long as there is no lapse of dementia-related direct care or administrativ	ve service or
23	employment for 24 consecutive months or more. All staff persons are resp	oonsible for
24	maintaining their own certificates of completion for initial dementia care training.	
25	(g) Requirements for Dementia Care Trainers. – Any person who conduct	
26	dementia care training for a covered facility to satisfy the requirements of this s	section must
27	meet all of the following minimum qualifications:	
28	(1) Have at least two years of work experience related to Alzheimer	
29	other dementias, or two years of work experience in h	<u>iealth care,</u>
30	gerontology, or another related field.	
31	(2) <u>Have completed training equivalent to the requirements s</u>	
32	subdivision (c)(1) of this section and successfully passed ar	
33	component that includes a demonstration of skill comp	
34	knowledge in the topics identified in subdivision (c)(1) of this set	
35	(h) <u>Training Cost. – Covered facilities shall bear the entire cost of the train</u>	
36	by this section. Staff persons shall not be required to bear any of the cost of init	
37	care training programs, continuing dementia care education programs, or atte	
38	programs and shall receive their normal compensation when attending any of the	ese required
39	programs.	. ,
40	(i) <u>Relationship to Other Laws. – This section is designed to address gap</u>	
41	dementia care training for staff persons of covered facilities and to improve the	
42	dementia care training. If other applicable State or federal laws contain more string	
43	requirements, those laws shall apply. Where there is overlap between the requirem	
44 45	section and other applicable State or federal laws, the Department shall interpret the avoid duplication of requirements while answing that the minimum requirements	
	avoid duplication of requirements while ensuring that the minimum requirements	specified in
46 47	this section are met."	
47 48	SECTION 2.(b) G.S. 131E-105(a) reads as rewritten:	ma onorotad
48 49	"(a) The Department shall inspect any nursing home and any adult care ho	-
49 50	as a part of a nursing home in accordance with rules adopted by the Commission January 1, 2018, the Department shall include as part of its inspection of all nursing	
50	January 1, 2010, the Department shan include as part of its hispection of an hurshis	<u>z nomes anu</u>

	General Assembly Of North CarolinaSession 2017
1	adult care homes operated as part of a nursing home a review of the facility's compliance with
2	G.S. 131E-114.5, which shall include a review of at least all of the following:
3	(1) Whether the facility utilizes Department-approved initial dementia care
4	training programs to meet the requirements of G.S. 131E-114.5.
5	(2) Whether the facility provides appropriate continuing education opportunities
6	that meet the requirements of G.S. 131E-114.5.
7	(3) The training evaluation instrument utilized by the facility to assess skill
8	competency and knowledge in the topics described in G.S. 131E-114.5(c).
9	(4) Proficiencies of direct care staff by direct observation and assessment.
10	(5) Compliance with all other requirements specified in G.S. 131E-114.5.
11	SECTION 2.(c) G.S. 131E-114.5(b), as enacted by subsection (a) of this section,
12	applies to staff persons hired on or after October 1, 2017. By December 1, 2017, covered
13	facilities shall provide initial dementia care training that meets the requirements of
14	G.S. 131E-114.5(c), as enacted by this act, to staff persons hired before October 1, 2017, who
15	are unable to demonstrate proof of having completed, within the 24-month period preceding
16	October 1, 2017, training equivalent to the initial dementia care training described in
17	G.S. 131E-114.5(c), as enacted by this act.
18	SECTION 3. This act becomes effective October 1, 2017.
