9 SECTION 6A.9. The Office of State Budget and Management may establish 10 part-time and full-time personnel positions to implement this act. Positions established under this 11 section are time limited and exempt from the State Human Resources Act.

12 **SECTION 6A.10.** It is the intent of the General Assembly that, during this time of 13 rebuilding and relief efforts, each State agency should strive to acquire goods and services from 14 historically underutilized business vendors, whether directly as principal contractors or indirectly 15 as subcontractors or otherwise.

16 **SECTION 6A.11.** The General Assembly finds that the magnitude of the devastation 17 caused by Hurricane Matthew and the urgency of the need for immediate State recovery 18 assistance require expeditious actions by State agencies. Delay could (i) cause serious and 19 unforeseen threats to the public health, safety, or welfare; (ii) result in the loss of federal revenues 20 for the recovery effort; or (iii) increase the likelihood of fraud and abuse in recovery programs. 21 Therefore, every agency, as defined in G.S. 150B-2, may adopt temporary rules necessary to 22 implement the provisions of this act. Except as provided in this section, temporary rules to 23 implement the provisions of this part shall be adopted as provided in G.S. 150B-21.1. 24 Notwithstanding the provisions of G.S. 150B-21.1(a)(2) and 26 NCAC 2C .0102(11), the 25 authority to adopt temporary rules to implement the provisions of this part shall continue in effect 26 until all rules necessary to implement the provisions of this part have become effective as either 27 temporary rules or permanent rules. Notwithstanding the provisions of G.S. 150B-21.1(d), a 28 temporary rule adopted to implement the provisions of this part shall specify the date on which the rule will expire and shall continue in effect until that date. Any agency that adopts a temporary 29 30 rule to implement the provisions of this part shall report the text of the rule and the agency's 31 written statement of its findings of the need for the rule to the Joint Legislative Administrative 32 Procedure Oversight Committee within 30 days of the adoption of the temporary rule. This 33 section applies to the adoption of temporary rules by the Department of Administration under 34 G.S. 113A-11(a) and to the adoption of temporary rules that establish minimum criteria by any 35 State agency, as defined in G.S. 113A-9, under G.S. 113A-11(b).

36 **SECTION 6A.12.(a)** Each agency disbursing funds or property under this part from 37 the Disaster Relief Reserve Fund for hurricane relief or assistance, other than payments for goods 38 or services provided by the recipient, shall include with the disbursement a written statement of 39 the State and federal income tax treatment of the funds or property disbursed.

	General Assembly Of North Carolina Session 2017
1	SECTION 11F.1.(a) Purpose. – The Department of Health and Human Services
2	shall establish a pilot program for a corrections-based mental health capacity restoration program
3	(CRP). The purpose of the pilot program is to expand the provision of capacity restoration
4	programming at locations in addition to the three State Psychiatric Hospitals (SPHs). The pilot

18	counties or counties that respond during the RFI process that can work
19	collaboratively with these counties to address the need.
20	(3) Establish and monitor metrics that determine whether the program is
21	successful; this might include, but would in no way be limited to, readmissions
22	to the hospital.
23	SECTION 11F.1.(c) By June 30, 2019, the Department of Health and Human
24	Services shall select a location to participate in the pilot program that represent the best location

26	SECTION 11F.1.(d) After 18 months of operation, the program should be evaluated
27	according to metrics identified in the RFP and a determination should be made to expand the
28	CRP to other correctional facilities, continue with the existing CRP, modify the existing CRP for
29	additional assessment, or terminate the CRP.
30	SECTION 11F.1.(e) Pilot Evaluation. – The Department of Health and Human
31	Services may award the RFP contract directly to a provider of CRP services or a single or
32	multicounty correctional facility with whom the CRP provider is a subcontractor. The pilot
33	program shall be evaluated for the duration of the pilot program to evaluate the implementation
34	and success of the pilot program, including at least the following:
35	(1) The use of funds by the vendor awarded the RFP to provide CRP services
36	during the pilot.
37	(2) Outcome data.
38	(3) Numbers of individuals served at the corrections-based CRP, including
39	number of individuals that would have received CRP services at one of the
40	three SPH, if the corrections-based CRP was not available.
41	(4) Other information the Department deems necessary.
42	SECTION 11F.1.(f) DHHS shall report by June 30 of each year, beginning with the
43	initial report by June 30, 2019, and ending with a final report by June 30, 2023, to the Joint
